(b) This section expires September 1, 2016.

SECTION 4. Effective September 1, 2016, Section 39.054(a), Education Code, is amended to read as follows:

(a) The commissioner shall adopt rules to evaluate school district and campus performance and assign each district and campus a performance rating of A, B, C, D, or F. In adopting rules under this subsection, the commissioner shall determine the criteria for each performance rating of A, B, or C reflects acceptable performance and a district performance rating of D or F reflects unacceptable performance. The commissioner shall also assign each campus a performance rating of exemplary, recognized, acceptable, or unacceptable. A campus performance rating of exemplary, recognized, or acceptable reflects acceptable performance, and a campus performance rating of unacceptable reflects unacceptable performance. A district may not receive a performance rating of A if the district includes any campus with a performance rating of unacceptable. Not later than August 15 of each year, the performance rating of each district and campus shall be made publicly available as provided by rules adopted under this subsection. If a district or campus received a performance rating that reflected unacceptable performance for the preceding school year, the commissioner shall notify the district of a subsequent such designation on or before June 15.
SECTION 5. Effective September 1, 2017, Section 39.054, Education Code, is amended by amending Subsections (a), (c), (e), and (f) and adding Subsections (a-1), (a-2), and (a-3) to read as follows:

(a) The commissioner shall adopt rules to evaluate school district and campus performance and assign each district and campus an overall [A] performance rating of A, B, C, D, or F. In addition to the overall performance rating, the commissioner shall assign each district and campus a separate domain performance rating of A, B, C, D, or F for each domain under Sections 39.053(c)(1)-(4). An overall or domain [In adopting rules under this subsection, the commissioner shall determine the criteria for each designated letter performance rating. A district] performance rating of A reflects exemplary performance. An overall or domain performance rating of B reflects recognized performance. An overall or domain performance rating of [B, or] C reflects acceptable performance. An overall or domain [and a district] performance rating of D or F reflects unacceptable performance. [The commissioner shall also assign each campus a performance rating of exemplary, recognized, acceptable, or unacceptable. A campus performance rating of exemplary, recognized, or acceptable reflects acceptable performance, and a campus performance rating of unacceptable reflects unacceptable performance.] A district may not receive an overall or domain [a] performance rating of A if the district includes any campus with a corresponding overall or domain performance rating of D or F [unacceptable]. A reference in law to an acceptable rating or acceptable performance includes an overall
or domain performance rating of A, B, or C or exemplary, recognized, or acceptable performance.

(a-1) For purposes of assigning an overall performance rating under Subsection (a), the commissioner shall attribute:

(1) 55 percent of the performance evaluation to the achievement indicators for the first, second, and third domains under Sections 39.053(c)(1)-(3);

(2) for middle and junior high school and elementary campuses and districts that include only those campuses, 35 percent of the performance evaluation to the applicable achievement indicators for the fourth domain under Section 39.053(c)(4);

(3) for high school campuses and districts that include those campuses:

(A) 10 percent of the performance evaluation to the high school graduation rate achievement indicator described by Section 39.053(c)(4)(A)(ii); and

(B) 25 percent to the remaining applicable achievement indicators for the fourth domain under Section 39.053(c)(4); and

(4) 10 percent of the performance evaluation to the locally selected and evaluated achievement indicators provided for under the fifth domain under Section 39.053(c)(5).

(a-2) The commissioner by rule shall adopt procedures to ensure that a repeated performance rating of D or F or unacceptable in one domain, particularly performance that is not significantly improving, is reflected in the overall performance rating of a district or campus and is not compensated for by a performance
rating of A, B, or C in another domain.

(a-3) Not later than August 15 of each year, the performance ratings of each district and campus shall be made publicly available as provided by rules adopted under this section. If a district or campus received an overall or domain performance rating of D or F that reflected unacceptable performance for the preceding school year, the commissioner shall notify the district of a subsequent such designation on or before June 15.

(c) In evaluating school district and campus performance on the achievement indicators for student performance on assessment instruments adopted under Sections 39.053(c)(1) and (2) and the dropout rate indicator adopted under Sections 39.053(c)(4)(A)(i) and (B)(ii)(a), the commissioner shall define acceptable performance as meeting the state standard determined by the commissioner under Section 39.053(f) for the current school year based on:

(1) student performance in the current school year; or

(2) student performance as averaged over the current school year and the preceding two school years.

(e) Each annual performance review under this section shall include an analysis of the achievement indicators adopted under Sections 39.053(c)(1)-(4) to determine school district and campus performance in relation to:

(1) standards established for each indicator and

(2) required improvement as defined under Section 39.053(e).
(f) In the computation of dropout rates under Sections 39.053(c)(4)(A)(i) and (B)(ii)(a) [Section 39.053(c)(2)], a student who is released from a juvenile pre-adjudication secure detention facility or juvenile post-adjudication secure correctional facility and fails to enroll in school or a student who leaves a residential treatment center after receiving treatment for fewer than 85 days and fails to enroll in school may not be considered to have dropped out from the school district or campus serving the facility or center unless that district or campus is the one to which the student is regularly assigned. The agency may not limit an appeal relating to dropout computations under this subsection.

SECTION 6. Sections 39.0545(b), (c), and (d), Education Code, as added by Chapter 167 (S.B. 1538), Acts of the 83rd Legislature, Regular Session, 2013, are amended to read as follows:

(b) Notwithstanding Section 39.053(c)(4)(A)(i) [39.053(c)(2)], the commissioner shall use the alternative completion rate under this subsection to determine the dropout rate [student achievement] indicator under Section 39.053(c)(4)(A)(i) [39.053(c)(2)] for a dropout recovery school. The alternative completion rate shall be the ratio of the total number of students who graduate, continue attending school into the next academic year, or receive a high school equivalency certificate to the total number of students in the longitudinal cohort of students.

(c) Notwithstanding Section 39.053(c)(4)(A)(i) [39.053(c)(2)], in determining the performance rating under Section 39.054 of a dropout recovery school, the commissioner shall
include any student described by Section 39.053(g-1) who graduates or receives a high school equivalency certificate.

(d) Notwithstanding Section 39.053(c), for purposes of evaluating a dropout recovery school under the accountability procedures adopted by the commissioner to determine the performance rating of the school under Section 39.054:

(1) only the best result from the primary administration or any retake of an assessment instrument administered to a student in the school year evaluated may be considered; and

(2) only a student enrolled continuously for at least 90 days during the school year evaluated may be considered in determining the performance rating of the school under Section 39.054.

SECTION 7. Subchapter C, Chapter 39, Education Code, is amended by adding Section 39.0546 to read as follows:

Sec. 39.0546. PERFORMANCE IN COMMUNITY AND STUDENT ENGAGEMENT AS COMPONENT OF OVERALL DISTRICT AND CAMPUS RATING. (a) For purposes of including the local evaluation of districts and campuses under Section 39.053(c)(5) and assigning an overall rating under Section 39.054, before the beginning of each school year:

(1) each school district shall:

(A) select and report to the agency three programs or categories under Section 39.0545(b)(1), as added by Chapter 211 (H.B. 5), Acts of the 83rd Legislature, Regular Session, 2013, under which the district will evaluate district

(C) make the information described by Paragraphs (A) and (B) available on the district's Internet website; and
(2) each campus shall:
(A) select and report to the agency three programs or categories under Section 39.0545(b)(1), as added by Chapter 211 (H.B. 5), Acts of the 83rd Legislature, Regular Session, 2013, under which the campus will evaluate campus performance;
(B) submit to the agency the criteria the campus will use to evaluate campus performance and assign the campus a performance rating; and
(C) make the information described by Paragraphs (A) and (B) available on the Internet website of the campus.
(b) Based on the evaluation under this section, each school district shall assign the district and each campus shall assign the campus a performance rating of A, B, C, D, or F, for both overall performance and for each program or category evaluated. An overall or a program or category performance rating of A reflects exemplary performance. An overall or a program or category performance rating of B reflects recognized performance. An overall or a program or category performance rating of C reflects acceptable performance. An overall or a program or category performance rating of D or F reflects unacceptable performance.
(c) On or before the date determined by the commissioner by rule, each school district and campus shall report each performance rating to the agency for the purpose of including the rating in evaluating school district and campus performance and assigning an overall rating under Section 39.054.
