Online Accommodation Request Form Training

January – December 31 2016

This document is intended to train district staff to use the online system to submit Accommodation Request Forms for Type 2 accommodations for students taking STAAR, STAAR Spanish, STAAR A, STAAR L, and TELPAS. The online form also applies to accommodation requests for students taking TAKS. Refer to the Directions for District Coordinators, Campus Coordinators, and Test Administrators – TAKS for policies related to TAKS accommodations. Screen shots of the online system are provided along with specific information regarding each step of the submission process. If any questions arise during the submission process, the district testing coordinator should contact TEA’s Student Assessment Division at 512-463-9536 and ask to speak with a member of the Accommodations Task Force.
Online Accommodation Request Form

• There are several steps to submitting an accommodation request through the online system. It is important to read and complete each step in its entirety before moving to another step.

• In order to complete the request form, the district staff member (e.g., teacher, counselor, district testing coordinator) who is filling out the online request must have student-specific information readily available DURING the process. If applicable, have each student’s:
  o Individualized Accommodation Plan (IAP), Individualized Education Program (IEP), or other applicable documentation
  o accommodation request number from previous year
  o previous state and classroom testing results,
  o a list of accommodations the student uses in the classroom, and/or
  o notes from other teachers, counselors, or the student’s parents regarding accommodation use.

• The district testing coordinator should be contacted if questions arise before, during, or after this process.

• Accommodation request approvals expire December 31st of the current year.

• Requests that contain confidential student information will be deleted by TEA and not processed.

• Within the form you may see:

  - red exclamations points calling attention to important information
  - blue question marks which pop-up additional helpful information for completing the form

  Underlined links to additional sources of information (links will open in a new browser window or tab)
Training Site

For district staff who have never used the online Accommodation Request Form (ARF) or who need to practice using this system, a training site is available. The Training Site can be utilized for training sessions and will not actually send emails to your DTC.

On the first web page of the ARF in the upper left corner is a link box. Click the Training Site link to begin a training session. It is important to remember that this is only a training site, and no Accommodation Request Form will be sent.

Please note that the “Training Site” link changes to “Live Site” in order to return to the actual ARF system. Click the Live Site link to return to the online system and send an actual accommodation request.

Accommodation Request Form: Eligibility Criteria and Rationale

For each accommodation requested, you must check all applicable boxes to determine if the student meets the eligibility criteria. If the required boxes are not checked, you will be not be able to submit the request.

The student must meet these eligibility criteria.

- The student must meet these eligibility criteria.

- In addition, the student must meet at least one of these eligibility criteria.

Submit an Accommodation Request Form to TEA if the student:
- routinely and effectively uses this accommodation during classroom instruction and classroom testing,
- is unable to effectively use other accommodations or any allowable test administration procedures or materials to address this need, and

MEETS AT LEAST ONE OF THE FOLLOWING:
- The student has a severe impairment in vision (e.g., uncorrected vision, nystagmus) that qualifies for special education services with a Visual Impairment [VI]). This includes students who take the braille test and require an extra day.
- The student has a severe behavioral or emotional disabling condition, the manifestation of which makes him or her unable to continue working for a prolonged period of time or during certain times of the day.
- The student has a severe physical disability or medical condition that limits the amount of time the student is able to continue working due to severe fatigue or decreased energy and stamina.
- The student is identified with an autism spectrum disorder and will be unable to complete the assessment in one day due to severe behavioral and/or emotional reactions that cannot be appropriately managed without an additional day of testing.
Accommodation Request Form: Eligibility Criteria and Rationale

For each Type 2 accommodation request, specific information must be included in the rationale section of the Accommodation Request Form. This information will be the objective evidence used by TEA to determine whether or not the accommodation is approved for use on a state assessment. It is very important to address each bullet in detail in your rationale.

Whenever you reference previous accommodation requests, make certain that you include that Request ID number within your rationale. The Request ID number is found on the request confirmation and in the accommodation request decision notification email to the district test coordinator.
Accommodation Request Form: Administrative Information

You may enter a “Local Tracking number.” This number is for local use only and allows districts to keep track of accommodation requests within the district. Do not use a student’s SSN or PEIMS number, as this is confidential information. TEA does not use the local tracking number, but it will print on your confirmation page along with a separate accommodation Request ID. When district personnel contact TEA, we will need the Request ID number to locate a request.
