Type of Agenda Rule Item:

☐ Discussion Only: TEA staff will present rule items with an update, potential future rule changes, and/or seek SBEC direction on potential rule changes. TEA staff will draft rule changes from the board’s discussion on the item and start preparing rule text for proposal to the board.

☐ Proposal: First SBEC reading (vote). SBEC members will give input on proposed rule text and will approve rule changes that will go out for public comment as a proposed rule with the Texas Register. Important to make substantive changes now because only non-substantive changes can be made at adoption.

✓ Adoption: Second and final SBEC reading (vote). Only non-substantive changes are permissible at adoption phase. If approved will go to SBOE for review and filed as an SBEC rule with Texas Register if SBOE takes no action.

Summary:

This item is an adoption of 19 TAC Chapter 234, which is a new chapter that implements recent legislation that allows military service members to substitute experience in a particular trade for the licensure requirement and waives the licensing and application fees paid to the state for military service members, spouses and veterans. This new chapter also consolidates all military-related rules into one chapter, which will streamline future rulemaking.

Statutory Authority:

All of the relevant statutes pertaining to this chapter are listed for you on the agenda title page and the entire statutory language is on Attachment I. This is always helpful in referencing the law the TEA staff was working under when preparing this item.

TEA Staff Recommendation:

To adopt the proposed amendments as presented.

Relevant SBEC Core Principles:

- We believe well-prepared educators are essential.
- We believe flexible and accessible certification programs, held to the same standards of accountability, are essential.
- We believe we must continually improve our policies and processes in response to changing needs.
Item 8:
Consider and Take Appropriate Action on Adoption of Proposed New 19 TAC Chapter 234, Military Service Members, Military Spouses, and Military Veterans

DISCUSSION AND ACTION

SUMMARY: This item provides the State Board for Educator Certification (SBEC) an opportunity to adopt, subject to State Board of Education (SBOE) review, proposed new 19 TAC Chapter 234, Military Service Members, Military Spouses, and Military Veterans. The proposed new chapter would address recent legislation, consolidate rules specific to the military community into one chapter, and streamline future military-related rulemaking opportunities. No changes are recommended since published as proposed.

STATUTORY AUTHORITY: The statutory authority for proposed new 19 TAC Chapter 234 is the Texas Education Code (TEC), §§21.041(b)(2) and (4); 21.044(a); and 21.054, as amended by Senate Bill (SB) 1296, 84th Texas Legislature, Regular Session, 2015; and Texas Occupations Code, §§55.001-55.003, 55.005, and 55.006, as amended by SB 1307, 84th Texas Legislature, Regular Session, 2015; 55.004, as amended by SB 1307 and House Bill (HB) 3742, 84th Texas Legislature, Regular Session, 2015; 55.007; 55.008, as amended by SB 1296 and SB 1307, 84th Texas Legislature, Regular Session, 2015; and 55.009, as added by SB 807 and SB 1307, 84th Texas Legislature, Regular Session, 2015.

EFFECTIVE DATE: The proposed effective date of new 19 TAC Chapter 234 would be August 28, 2016 (20 days after filing as adopted with the Texas Register). The proposed effective date is also based on the SBEC and SBOE meeting schedules.

PREVIOUS BOARD ACTION: At the February 2016 meeting, the SBEC approved new 19 TAC Chapter 234 for publication in the Texas Register as proposed rules.

BACKGROUND INFORMATION AND SIGNIFICANT ISSUES: The 84th Texas Legislature, Regular Session, 2015, passed SB 807, which requires all state licensing agencies to adopt rules that implement the requirements of the Texas Occupations Code, Chapter 55, regarding the licensing of military service members, military spouses, and military veterans and the waiving of licensing and application fees paid to the state. The 84th Texas Legislature also passed SB 1307, which clarifies definitions of military spouses and military veterans in key sections of the Texas Occupations Code, allows for the adoption of rules to establish alternative methods for military groups to meet requirements for licensure, grants the executive director of a state agency to review applicant credentials and waive requirements for licensure, and incorporates the use of verified military service to satisfy apprenticeship requirements for licensure.

In addition, the 84th Texas Legislature passed HB 2014, which allows military service members seeking certification in career and technical education to substitute experience in a particular trade for the license or professional credential in the specific trade.
Proposed new 19 TAC Chapter 234, shown in Attachment II, would consolidate all military-related provisions into one chapter. The military-related provisions currently outlined in 19 TAC §230.15, Certification of Military Service Members, Military Spouses, and Military Veterans, and 19 TAC §232.27, Renewal and Continuing Education Requirements for Military Service Members, would be repealed as applicable from 19 TAC Chapter 230 and 19 TAC Chapter 232. These provisions would be incorporated into the new military chapter as proposed new 19 TAC §234.5 and 19 TAC §234.7, respectively. Proposed new 19 TAC §234.5(g) and (h) would satisfy the provisions in SB 807 and align with current SBEC rules.

Proposed new 19 TAC Chapter 234 would also streamline future military-related rulemaking opportunities by having all military-related provisions in one chapter.

**FISCAL IMPACT:** The TEA staff has determined that there will be fiscal implications for state government as a result of enforcing or administering the proposed new sections.

The estimated cost to the state (TEA) begins with Fiscal Year (FY) 2016 based on the September 1, 2015 effective date of SB 807, 84th Texas Legislature, Regular Session, 2015. Based on current tracking of legislation effective September 1, 2015, the TEA estimates the number of individuals that would apply for certification at 500 for FY 2016, 550 for FY 2017, 605 for FY 2018, 665 for FY 2019, and 731 for FY 2020. The TEA estimates that approximately 75% would apply through the out-of-state route to certification while 25% would apply through the educator preparation program (EPP) route to certification.

For the TEA, the total estimated cost would be $143,500 for FY 2016, $157,940 for FY 2017, $173,500 for FY 2018, $190,720 for FY 2019, and $209,752 for FY 2020. The total estimated cost for each year of FY 2016-FY 2020 is based on fees for the out-of-state route to certification (test fees of $22, credential review fee of $180, and certificate issuance fees of $52 and $78) and the EPP route to certification (test fees of $22 and certificate issuance fees of $52 and $78). For the TEA, the estimated loss in revenue would be $143,500 for FY 2016, $157,940 for FY 2017, $173,500 for FY 2018, $190,720 for FY 2019, and $209,752 for FY 2020. This estimate is based on the fees that the TEA would not be collecting.

The TEA staff has determined that there is no additional fiscal impact on local government as a result of enforcing or administering the proposed new sections.

There is an anticipated economic savings to persons who are required to comply with the proposed new sections. For individuals (military service members, military spouses, and military veterans) not required under SB 807 to pay certification fees, the total estimated savings would be approximately $143,500 for FY 2016, $157,940 for FY 2017, $173,500 for FY 2018, $190,720 for FY 2019, and $209,752 for FY 2020. Based on current fees an individual would save $152 or $332 depending on the route to certification.

There is no direct adverse economic impact for small businesses and microbusinesses; therefore, no regulatory flexibility analysis, specified in Texas Government Code, §2006.002, is required.

**PUBLIC AND STUDENT BENEFIT:** The public and student benefit anticipated as a result of proposed new 19 TAC Chapter 234 would be implementing statutory provisions for expediting
and facilitating the educator certification of military service members, military spouses, and military veterans.

**PROCEDURAL AND REPORTING IMPLICATIONS:** The proposed rule actions would have no procedural and reporting implications.

**LOCALLY MAINTAINED PAPERWORK REQUIREMENTS:** The proposed rule actions would have no locally maintained paperwork requirements.

**PUBLIC COMMENTS:** The public comment period on the proposal began March 11, 2016, and ended April 11, 2016. Any comments received will be provided to the SBEC under separate cover prior to the April 15, 2016 meeting. The SBEC will take registered oral and written comments on this item at the April 15, 2016 meeting in accordance with the SBEC board operating policies and procedures.

**ALTERNATIVES:** None.

**OTHER COMMENTS AND RELATED ISSUES:** None.

**ASSOCIATE COMMISSIONER’S RECOMMENDATION:** I recommend that the State Board for Educator Certification:

> Approve for adoption, subject to State Board of Education review, proposed new 19 TAC Chapter 234, **Military Service Members, Military Spouses, and Military Veterans**, with an effective date of 20 days after filing the adoption notice with the Texas Register.

(b) In the event of conflict with any other rule in the Texas Administrative Code, Title 19, Part 7, this chapter shall supersede with regard to the certification of military service members, military spouses, and military veterans.

(b) A military service member is entitled to two years of additional time to complete all continuing education requirements and any other requirements relating to the renewal of his or her Texas educator certificate.
