Prior Year Final Level II Model

Progress Measures established on three levels:
Did Not Meet Progress
Met Progress
Exceeded Progress

Yes

Aggregate outcomes for those who Met or Exceeded progress by campus.

No

Aggregate outcomes for those who Exceeded progress by campus.

Combine the two outcomes for a maximum of 100 percent.

Assign letter grades based on the following criteria:
XX* percent = A
XX* percent = B
XX* percent = C
XX* percent = D
XX* percent = F

Compare combined score results to combined score outcomes for 40 campus in a comparison group. Those who are in the top quartile receive a one letter grade bump (e.g. a B becomes an A, a C becomes a B, etc.).

* a certain percentage of schools would be assigned this rating
