Item 12:

COVER PAGE

Type of Agenda Rule Item:

☐ Discussion Only: TEA staff will present rule items with an update, potential future rule changes, and/or seek SBEC direction on potential rule changes. TEA staff will draft rule changes from the Board’s discussion on the item and start preparing rule text for proposal to the Board.

☐ Proposal: First SBEC reading (vote). SBEC members will give input on proposed rule text and will approve rule changes that will go out for public comment as a proposed rule with the Texas Register. Important to make substantive changes now because only non-substantive changes can be made at adoption.

✔ Adoption: Second and final SBEC reading (vote). Only non-substantive changes are permissible at adoption phase. If approved will go to SBOE for review and filed as an SBEC rule with Texas Register if SBOE takes no action.

Summary:

This item is an adoption of revisions to 19 TAC Chapter 231, which provides guidance to school districts by listing courses by grade level and subject area and identifying the corresponding certificates appropriate for placement into each classroom assignment. The proposed revisions to 19 TAC 231 would identify the appropriate credential for placement in a particular teaching assignment, incorporate courses approved by the State Board of Education (SBOE), and provide guidance to districts on special education assignments. At the August SBEC meeting, the Board approved the proposed revisions, which would assist districts with hiring and personnel assignment decisions. An additional change is recommended to correct a technical edit to correct the reference to the high objective uniform State standard of evaluation for elementary and secondary special education teachers.

Statutory Authority:

All of the relevant statutes pertaining to this chapter are listed for you on the agenda title page and the entire statutory language is on Attachment I. This is always helpful in referencing the law the TEA staff was working under when preparing this item.

TEA Staff Recommendation:

To approve, for adoption, the proposed revisions as presented.

Relevant SBEC Core Principles:

- We believe well-prepared educators are essential.
- We believe high certification standards measured by rigorous and reliable assessments are essential.
- We believe we must continually improve our policies and processes in response to changing needs.
Item 12:
Consider and Take Appropriate Action on Adoption of Proposed Revisions to 19 TAC Chapter 231, Requirements for Public School Personnel Assignments, Subchapter D, Electives, Disciplinary Courses, Local Credit Courses, and Innovative Courses, Grades 6-12 Assignments, Subchapter E, Grades 9-12 Assignments, and Subchapter F, Special Education-Related Services Personnel Assignments

DISCUSSION AND ACTION

SUMMARY: This item provides the State Board for Educator Certification (SBEC) an opportunity to adopt, subject to State Board of Education (SBOE) review, proposed revisions to 19 TAC Chapter 231, Requirements for Public School Personnel Assignments, Subchapter D, Electives, Disciplinary Courses, Local Credit Courses, and Innovative Courses, Grades 6-12 Assignments, Subchapter E, Grades 9-12 Assignments, and Subchapter F, Special Education-Related Services Personnel Assignments. The proposed amendments to 19 TAC §§231.97, 231.241, 231.251, 231.257, 231.365, and 231.611 and proposed new 19 TAC §231.175 would identify the appropriate credential for placement in a particular teaching assignment, incorporate courses approved by the State Board of Education (SBOE), and provide guidance to districts on special education assignments. An additional change is recommended to 19 TAC §231.611(a) since published as proposed.

STATUTORY AUTHORITY: The statutory authority for 19 TAC Chapter 231, Subchapters D-F, is the Texas Education Code (TEC), §§21.003(a), 21.031(a), and 21.041(b)(1) and (2).

TEC, §21.003(a), states that a person may not be employed as a teacher, teacher intern or teacher trainee, librarian, educational aide, administrator, educational diagnostician, or school counselor by a school district unless the person holds an appropriate certificate or permit issued as provided by the TEC, Chapter 21, Subchapter B.

TEC, §21.031(a), states that the SBEC shall regulate and oversee all aspects of the certification, continuing education, and standards of conduct of public school educators.

TEC, §21.041(b)(1), requires the SBEC to propose rules that provide for the regulation of educators and the general administration of the TEC, Chapter 21, Subchapter B, in a manner consistent with the TEC, Chapter 21, Subchapter B.

TEC, §21.041(b)(2), requires the SBEC to propose rules that specify the classes of educator certificates to be issued, including emergency certificates.

EFFECTIVE DATE: The proposed effective date of the proposed amendments to 19 TAC §§231.97, 231.241, 231.251, 231.257, 231.365, and 231.611 and proposed new 19 TAC §231.175 would be December 27, 2016 (20 days after filing as adopted with the Texas
The proposed effective date is also based on the SBEC and SBOE meeting schedules.

PREVIOUS BOARD ACTION: At the August 5, 2016 meeting, the SBEC approved the amendments to 19 TAC §§231.97, 231.241, 231.251, 231.257, 231.365, and 231.611 and new 19 TAC §231.175 for publication in the Texas Register as proposed rules.

BACKGROUND INFORMATION AND JUSTIFICATION: Current 19 TAC Chapter 231, Requirements for Public School Personnel Assignments, provides guidance to school districts by listing courses by grade level and subject area and identifying the corresponding certificates appropriate for placement into each classroom assignment. This information assists districts with hiring and personnel assignment decisions.

The proposed revisions to 19 TAC Chapter 231, Subchapters D-F, shown in Attachment II, would identify the appropriate certificates for placement in particular assignments for Grades 6-12 to teach electives, disciplinary courses, local credit courses, and innovative courses; various assignments for Grades 9-12; and special education-related services personnel assignments.

**Subchapter D, Electives, Disciplinary Courses, Local Credit Courses, and Innovative Courses, Grades 6-12 Assignments**

Language in 19 TAC §231.97, including the section title, would be amended to delete the reference to magnet course since the Texas Education Agency (TEA) stopped approving magnet courses several years ago. The proposed amendment would also strengthen alignment with the internal processes for approval of innovative courses and confirm the TEA's role in identifying the appropriate certificates for assignments to teach innovative courses.

**Subchapter E, Grades 9-12 Assignments**

**Division 3. Social Studies, Grades 9-12 Assignments.** Proposed new 19 TAC §231.175, Personal Financial Literacy, Grades 9-12, would be added to incorporate this new course approved by the SBOE. TEA staff has worked closely with the TEA Curriculum Standards and Student Supports Division to confirm the list of certificates appropriate to ensure the individual has the knowledge and skills necessary to teach the course and be eligible for placement into the assignment.

**Division 7. Fine Arts, Grades 9-12 Assignments.** Language in 19 TAC §231.241, Art, Music, Theatre, and Dance, Grades 9-12, would be amended to add a reference to a proposed new Dance: Grades 6-12 certificate in subsection (d). The proposed new Dance: Grades 6-12 certificate will be presented as part of a separate item in this agenda proposing amendments to 19 TAC Chapter 233, Categories of Classroom Teaching Certificates. With the addition of the reference to the proposed new certificate, all remaining information under subsection (d) would be renumbered accordingly.

**Division 8. Technology Applications, Grades 9-12 Assignments.** In response to a citizen petition addressed by the SBEC at the April 2016 meeting, TEA staff has worked closely with the TEA Curriculum Standards and Student Supports Division to confirm the transfer of the reference to "Fundamentals of Computer Science" from 19 TAC §231.251, Computer Science, Grades 9-12, to 19 TAC §231.257, Game Programming and Design or Mobile Application Development.
Grades 9-12. This change is an appropriate rulemaking action that accurately addresses the petition and maintains appropriate certification for placement into the assignment. Language in 19 TAC §231.257, including the section title, would also be amended to add "Advanced Placement Computer Science Principles," another course approved by the SBOE that had not yet been incorporated into this chapter.

Division 13. Business Management and Administration, Grades 9-12 Assignments. Subsection (b) in 19 TAC §231.365, Business English, Grades 9-12, would be deleted since TEA staff has confirmed with the TEA Curriculum Standards and Student Supports Division that the reference to the TEA-approved training requirement is no longer needed. The list of certificates appropriate to teach this course provide individuals with the knowledge and skills needed to teach this course.

Subchapter F, Special Education-Related Services Personnel Assignments

The proposed amendment to 19 TAC §231.611, Special Education Teacher, would specify that anyone delivering content instruction would be required to hold one of the special education certificates listed and a valid certificate that matches the subject and grade level of the assignment. The addition of this requirement to also hold a valid certificate parallels the federal requirements for special education that were implemented as part of the highly qualified (HQ) requirements under No Child Left Behind (NCLB). Effective with the 2016-2017 school year, federal requirements are no longer in place and districts must now rely solely on certification rules. Language would clarify that individuals assigned to deliver content instruction in a special education setting must be certified in special education and the specific content area being taught to ensure that the individuals have the content knowledge necessary to deliver appropriate content instruction. Numerous districts have expressed a need for guidance from the TEA and flexibility to address the critical staffing shortage area of special education teachers. In addition, language would be included to allow individuals to demonstrate competency through the state's 2010 and 2011 high objective uniform State standard of evaluation for elementary and secondary special education teachers as suggested by the Texas Council of Administrators of Special Education. These proposed changes in rule would be necessary to provide districts the ability to retain teachers already qualified for special education assignments under the previous federal requirements and ensure that students in special education settings continue to receive the support they need from teachers who have appropriate content knowledge.

Since published as proposed, TEA staff recommends a technical edit in subsection (a) to accurately refer to the high objective uniform State standard of evaluation for elementary and secondary special education teachers.

FISCAL IMPACT: The TEA staff has determined that there is no additional fiscal impact on state and local governments and there are no additional costs to persons or entities required to comply with the proposed rule actions. In addition, there is no direct adverse economic impact for small businesses and microbusinesses; therefore, no regulatory flexibility analysis, specified in Texas Government Code, §2006.002, is required. There is no effect on local economy; therefore, no local employment impact statement is required under Texas Government Code, §2001.022.
PUBLIC AND STUDENT BENEFIT: The public and student benefit anticipated as a result of the proposed amendments to 19 TAC §§231.97, 231.241, 231.251, 231.257, 231.365, and 231.611 and proposed new 19 TAC §231.175 would be the ability of districts to continue placing educators into classrooms that are prepared to positively affect the performance of the diverse student population of this state.

PROCEDURAL AND REPORTING IMPLICATIONS: The proposed rule actions would have no additional procedural and reporting implications.

LOCALLY MAINTAINED PAPERWORK REQUIREMENTS: The proposed rule actions would have no additional locally maintained paperwork requirements.

PUBLIC COMMENTS: The public comment period on the proposal began August 26, 2016, and ended September 26, 2016. Any comments received will be provided to the SBEC under separate cover prior to the October 7, 2016 meeting. The SBEC will take registered oral and written comments on this item at the October 7, 2016 meeting in accordance with the SBEC board operating policies and procedures.

ASSOCIATE COMMISSIONER’S RECOMMENDATION: I recommend that the State Board for Educator Certification:

Approve for adoption, subject to State Board of Education review, the proposed revisions to 19 TAC Chapter 231, Requirements for Public School Personnel Assignments, Subchapter D, Electives, Disciplinary Courses, Local Credit Courses, and Innovative Courses, Grades 6-12 Assignments, Subchapter E, Grades 9-12 Assignments, and Subchapter F, Special Education-Related Services Personnel Assignments, with an effective date of 20 days after filing the adoption notice with the Texas Register.
