Item 7:
Consider and Take Appropriate Action on Adoption of Review of 19 TAC Chapter 245, Certification of Educators from Other Countries

DISCUSSION AND ACTION

SUMMARY: Texas Government Code, §2001.039, establishes a four-year rule review cycle for all state agency rules, including State Board for Educator Certification (SBEC) rules. The SBEC last adopted the review of 19 TAC Chapter 245, Certification of Educators from Other Countries, in August 2013. This item presents for SBEC approval the adoption of the review of Chapter 245. The rules being reviewed provide requirements relating to the certification of Texas educators from other countries.

STATUTORY AUTHORITY: Statutory authority for the rule review is Texas Government Code, §2001.039. The statutory authority for 19 TAC Chapter 245 is the Texas Education Code (TEC), §§21.041(b)(1), (4), and (5); 21.048(a); 21.050; 21.052(a)-(e) and (g); and 22.0831(f).

PREVIOUS BOARD ACTION: The SBEC last adopted the review of 19 TAC Chapter 245 in August 2013, finding that the reasons for initially adopting the rules continue to exist.

At the March 2017 meeting, the SBEC voted to publish the proposed rule review of 19 TAC Chapter 245, Certification of Educators from Other Countries, in the Texas Register.

BACKGROUND INFORMATION AND SIGNIFICANT ISSUES: The SBEC rules in 19 TAC Chapter 245, Certification of Educators from Other Countries, establish requirements for issuance of Texas certification to educators from other countries.

The rules currently in effect in 19 TAC Chapter 245 are shown in Attachment II.

It is anticipated that Texas Education Agency (TEA) staff will present proposed changes to 19 TAC Chapter 245 for discussion and action at a future meeting to clarify the rules and incorporate current SBEC policy and procedures. The TEA staff will be collecting stakeholder feedback prior to presenting proposed rule changes to the SBEC.

RULE REVIEW: The notice of proposed review of 19 TAC Chapter 245, Certification of Educators from Other Countries, was filed with the Texas Register following the March 2017 SBEC meeting. If authorized by the SBEC, the notice of adopted review will be filed with the Texas Register following the June 2017 meeting. The notice of adopted review will state that the SBEC finds that the reasons for adopting 19 TAC Chapter 245 continue to exist. Any comments received during the review of 19 TAC Chapter 245 will also be addressed.

The filing of the notice of adopted review stating that the reasons for adoption continue to exist would not preclude any amendments that may be proposed at the same time or at different times through a separate rulemaking process.
PUBLIC AND STUDENT BENEFIT: The review of 19 TAC Chapter 245 will result in clearly defined rules and requirements for individuals to obtain Texas certification based on already being certified to teach in other countries.

PUBLIC COMMENTS: The public comment period on the proposed rule review began March 31, 2017 and ended May 1, 2017. The SBEC will take registered oral and written comments on this item at the June 9, 2017 meeting in accordance with the SBEC board operating policies and procedures. Following is a summary of the public comments received and corresponding Board responses for Board consideration.

Comment: Eight individuals commented on the current requirement for individuals to pass only the Speaking section of the TOEFL-iBT to demonstrate English language proficiency. Five commenters recommended lowering the required score of 26 for Speaking and taking into account the other test sections to give a better perception of the overall English ability of each individual. One commenter recommended an overall score of 96 on the TOEFL-iBT, and one commenter recommended an overall score of 100 on the TOEFL-iBT and CAE or IELTS and a bachelor's or master's degree in English philosophy or English translation and interpretation. One commenter recommended lowering Speaking from 26 to 22, averaging the scores of all sections of TOEFL-iBT, and permitting an average score of 20 for all sections to qualify for the Visiting International Teacher (VIT) certificate.

Board Response: The SBEC acknowledges the commenters' recommendations regarding the current requirements of the TOEFL-iBT to demonstrate English language proficiency. The TEA staff will review the commenters' recommendations at a later time to develop proposed rule changes for review by the SBEC. The SBEC adopts the review of 19 TAC Chapter 245.

Comment: Forty-five individuals utilized a template letter to provide comments on the VIT certificate program with three specific requests to 1) extend VISAs of participating candidates; 2) extend the current three-year VIT certification by two additional years to become a five-year VIT certificate; and 3) allow VIT candidates to meet certification requirements for out-of-country candidates (including passing the TOEFL-iBT) at the end of the VIT certificate validity period to avoid a drastic shortage of teachers.

Board Response: Currently the rules for the VIT certificate are addressed in 19 TAC Chapter 230, Professional Educator Certification and Preparation, thus rendering the comments on the VIT certificate outside the scope of the purposes of the four-year rule review of Chapter 245. However, the Board recognizes that many VIT candidates transfer into the out-of-country certification process to become eligible for issuance of the standard certificate. The TEA staff will review the commenters' recommendations at a later time to develop proposed rule changes for review by the SBEC.

ASSOCIATE COMMISSIONER'S RECOMMENDATION: I recommend that the State Board for Educator Certification:

Adopt the review of 19 TAC Chapter 245, Certification of Educators from Other Countries.
Staff Member Responsible:   Marilyn Cook, Director

Rule Review

(a) A state agency shall review and consider for readoption each of its rules in accordance with this section.

(b) A state agency shall review a rule not later than the fourth anniversary of the date on which the rule takes effect and every four years after that date. The adoption of an amendment to an existing rule does not affect the dates on which the rule must be reviewed except that the effective date of an amendment is considered to be the effective date of the rule if the agency formally conducts a review of the rule in accordance with this section as part of the process of adopting the amendment.

(c) The state agency shall readopt, readopt with amendments, or repeal a rule as the result of reviewing the rule under this section.

(d) The procedures of this subchapter relating to the original adoption of a rule apply to the review of a rule and to the resulting repeal, readoption, or readoption with amendments of the rule, except as provided by this subsection. Publishing the Texas Administrative Code citation to a rule under review satisfies the requirements of this subchapter relating to publishing the text of the rule unless the agency readopts the rule with amendments as a result of the review.

(e) A state agency’s review of a rule must include an assessment of whether the reasons for initially adopting the rule continue to exist.

2. a second one-year certificate in an area previously authorized on a one-year certificate, provided the applicant was not assigned to the area and has not attempted the appropriate examination requirements for that area.
