Consider and Take Appropriate Action on Proposed Amendment to 19 TAC Chapter 232, General Certification Provisions, Subchapter A, Certificate Renewal and Continuing Professional Education Requirements, §232.11, Number and Content of Required Continuing Professional Education Hours

DISCUSSION AND ACTION

SUMMARY: This item provides the State Board for Educator Certification (SBEC) an opportunity to discuss and propose an amendment to 19 TAC Chapter 232, General Certification Provisions, Subchapter A, Certificate Renewal and Continuing Professional Education Requirements, §232.11, Number and Content of Required Continuing Professional Education Hours. The proposed amendment would implement changes resulting from the 85th Texas Legislature, Regular Session, 2017, and would add several topics to the continuing professional education (CPE) requirements for all educators, including classroom teachers and principals.

STATUTORY AUTHORITY: The statutory authority for 19 TAC Chapter 232, Subchapter A, is the Texas Education Code (TEC), §§21.003(a); 21.0031(f); 21.031; 21.041(b)(1), (4), and (9); 21.0543, as added by Senate Bill (SB) 1839, 85th Texas Legislature, Regular Session, 2017; and 21.054, as amended by SB 7, SB 179, and SB 1839, 85th Texas Legislature, Regular Session, 2017.

TEC, §21.003(a), states that a person may not be employed as a teacher, teacher intern or teacher trainee, librarian, educational aide, administrator, educational diagnostician, or school counselor by a school district unless the person holds an appropriate certificate or permit issued as provided by the TEC, Chapter 21, Subchapter B.

TEC, §21.0031(f), clarifies and places certain limits on provisions authorizing termination of an educator’s contract for failure to maintain a valid certificate.

TEC, §21.031, authorizes the SBEC to regulate and oversee all aspects of the certification, continuing education, and standards of conduct of public school educators.

TEC, §21.041(b)(1), requires the SBEC to propose rules that provide for the regulation of educators and the general administration of the TEC, Chapter 21, Subchapter B, in a manner consistent with the TEC, Chapter 21, Subchapter B.

TEC, §21.041(b)(4), requires the SBEC to propose rules that specify the requirements for the issuance and renewal of an educator certificate.

TEC, §21.041(b)(9), requires the SBEC to propose rules that provide for continuing education requirements.
TEC, §21.0543, as added by SB 1839, 85th Texas Legislature, Regular Session, 2017, requires the SBEC to propose rules that provide for CPE credit related to digital technology instruction.

TEC, §21.054, as amended by SB 7, SB 179, and SB 1839, 85th Texas Legislature, Regular Session, 2017, requires the SBEC to propose rules establishing a process for identifying continuing education courses and programs that fulfill educators’ continuing education requirements.

EFFECTIVE DATE: If approved for filing as proposed in August 2017 and if adopted, subject to State Board of Education (SBOE) review, at the October 2017 SBEC meeting, the proposed effective date of the proposed amendment to 19 TAC §232.11 would be December 17, 2017 (20 days after filing as adopted with the Texas Register). The proposed effective date is also based on the SBEC and SBOE meeting schedules.

BACKGROUND INFORMATION AND JUSTIFICATION: 19 TAC Chapter 232, General Certification Provisions, establishes the renewal requirements relating to types and classes of certificates issued, CPE hours to be completed, and the national criminal history record information review. Classroom teachers are required to participate in 150 hours of CPE activities every five years to maintain their standard certificates. Principals are required to participate in 200 hours of CPE activities every five years to maintain their standard certificates. Educators are required to maintain evidence of their CPE activities. When an educator applies to renew his or her certificate, he or she must verify through an affidavit whether he or she is in compliance with renewal requirements, including CPE activities. When an educator is selected for a CPE audit, the educator must provide Texas Education Agency (TEA) staff with documentation that supports certificate renewal.

The proposed amendment to 19 TAC §232.11, shown in Attachment II, would add several topics to the CPE requirements for all educators, including classroom teachers and principals. The proposed changes are designed to fulfill the new statutory requirements. The table shown in Attachment III summarizes the following proposed changes to 19 TAC §232.11 required by recent legislation from the 85th Texas Legislature, Regular Session, 2017.

Proposed changes to subsection (c)(4)(C) and (5)(C) would include CPE requirements for classroom teachers and principals that were added by the TEC, §21.054, as amended by SB 1839, 85th Texas Legislature, Regular Session, 2017. These changes would limit the amount of CPE activities regarding digital learning, digital teaching, and integrating technology into classroom instruction (for classroom teachers) and into campus curriculum and instruction (for principals) to not more than 25% of the CPE activities required to renew a standard certificate.

Proposed new subsection (c)(4)(E) would include CPE requirements for classroom teachers that were added by the TEC, §21.054, as amended by SB 7, 85th Texas Legislature, Regular Session, 2017. This new subsection would limit the amount of CPE activities regarding preventing, recognizing, and reporting sexual conduct between an educator and students to not more than 25% of the CPE activities required to renew a standard classroom teacher certificate. Proposed new subsection (c)(5)(E) would include CPE requirements for principals that were added by the TEC, §21.054, as amended by SB 7, 85th Texas Legislature, Regular Session, 2017. This new subsection would limit the amount of CPE activities regarding preventing, recognizing, and reporting sexual conduct between an educator...
and student to not more than 25% of the CPE activities required to renew a standard principal certificate.

Proposed new subsection (j) would include CPE requirements for classroom teachers and principals that were added by the TEC, §21.054, as amended by SB 179, 85th Texas Legislature, Regular Session, 2017. This new subsection would allow CPE requirements for classroom teachers and principals to include instruction regarding how grief and trauma affect student learning and behavior and how evidence-based, grief-informed, and trauma-informed strategies support the academic success of students affected by grief and trauma.

Proposed new subsection (k)(1) would include CPE requirements for all certificate classes that were added by the TEC, §21.0543, as amended by SB 1839, 85th Texas Legislature, Regular Session, 2017. This new subsection would allow an educator to receive credit toward CPE requirements for completion of education courses that use technology to increase the educator's digital literacy. Proposed new subsection (k)(2) would include CPE requirements for all certificate classes that were added by the TEC, §21.0543, as amended by SB 1839, 85th Texas Legislature, Regular Session, 2017. This new subsection would allow an educator to receive credit toward CPE requirements for completion of education courses that assist the educator in the use of digital technology in learning activities that improve teaching, assessment, and instructional practices.

The proposed amendment to 19 TAC §232.11 would also include technical edits to conform with Texas Register style and formatting requirements.

**FISCAL IMPACT:** The TEA staff has determined that there is no additional fiscal impact on state and local governments and there are no additional costs to persons or entities required to comply with the proposed amendment. In addition, there is no direct adverse economic impact for small businesses and microbusinesses; therefore, no regulatory flexibility analysis, specified in Texas Government Code, §2006.002, is required. There is no effect on local economy; therefore, no local employment impact statement is required under Texas Government Code, §2001.022.

**PUBLIC AND STUDENT BENEFIT:** The public and student benefit would be clarified certificate renewal requirements relating to the content of the required CPE hours.

**PROCEDURAL AND REPORTING IMPLICATIONS:** The proposed amendments would have no additional procedural and reporting implications.

**LOCALLY MAINTAINED PAPERWORK REQUIREMENTS:** The proposed amendments would have no additional locally maintained paperwork requirements.

**PUBLIC COMMENTS:** The public comment period on the proposal begins September 1, 2017, and ends October 2, 2017. The SBEC will take registered oral and written comments on this item at the October 6, 2017 meeting in accordance with the SBEC board operating policies and procedures.
