TEA advised that students who lack a fixed, regular, and adequate nighttime residence meet the definition of homeless and are allowed to receive:

- Faster access to support
- Free and reduced-priced lunch
- Transportation services
- Automatic admission
- Other supports

*Districts should assess a student’s eligibility for McKinney-Vento on a case-by-case basis as the identification lasts the entire year.
TEA is spearheading the Hurricane Harvey Task Force on School Mental Health Supports in partnership with the Texas Higher Education Coordinating Board (THECB) and the Texas Health and Human Services Commission (HHSC). With infrastructure support from the Meadows Mental Health Policy Institute, the Task Force will:

**Ensure** coordinated responses to meet the mental health needs of public school and university students and personnel

**Collaborate** with regional and local networks to link mental health organizations, primary care providers, psychiatric, counseling, university faculty, graduate students, and volunteer networks to school districts. Builds upon existing state efforts such as the Behavioral Health Collaborative Council and the Statewide Behavioral Health Strategic Plan.

TEA and HHSC are working together with Education Service Center Regions to spur collaboration and build infrastructure to address the needs of impacted schools and communities. Additionally, there is a Mental Health webpage available to support school staff, students and families with identifying resources: [https://tea.texas.gov/Harvey_recovery_mh/](https://tea.texas.gov/Harvey_recovery_mh/).
