2017 – 18 Texas Educator Certification Tests with Test Codes

The Texas Education Agency accepts certification tests from three organizations. The chart below is arranged by vendor and test name. It includes the test code and whether or not it is appropriate for Pre-Admission Content Test (PACT) candidates or candidates from charter schools. Finally, it indicates whether currently certified Texas educators can certify by examination using the test.

Educational Testing Service (ETS) administers most content and pedagogy/professional responsibilities tests.

Many of the language tests are offered by the American Council on the Teaching of Foreign Languages (ACTFL).

Family and consumer sciences tests are offered by the American Association of Family and Consumer Sciences (AAFCS).
