The Texas Education Agency is committed to providing its customers with a quality Texas School Law Bulletin publication. In order to facilitate this goal, the agency asks that you participate in a customer survey and provide us with your feedback regarding the publication. In particular, the agency is seeking information regarding the utilization of various sections of the publication in order to make it more useful. We, therefore, would like to know what statutes our customers utilize the most and the least. The survey includes questions regarding statute utilization and can be completed on-line in 5 minutes.

Thank you for your time and cooperation. Your feedback is important and will be considered for future publications. You may find the survey link at: <http://www.surveymonkey.com/r/K7TS83C>

Please note that your participation in the survey is voluntary and responses to the survey are subject to disclosure pursuant to the provisions of Chapter 552 of the Texas Government Code.
