#### 19 Texas Administrative Code §66.28(c):

*(10) A publisher shall provide a list of all corrections required to be made to each student and teacher component of an instructional materials submission to bring them into compliance with applicable laws, rules, or the proclamation. The list must be in a format designated by the commissioner of education and filed on or before the deadline specified in the schedule of adoption procedures. If no corrections are necessary, the publisher shall file a statement to that effect in a format designated by the commissioner of education on or before the deadline in the schedule for submitting the list of corrections. On or before the deadline for submitting lists of corrections, publishers shall submit certification that all instructional materials have been edited for accuracy, content, and compliance with requirements of the proclamation.*

The publisher certifies that all instructional materials have been edited for accuracy, content, and compliance with the requirements of [Proclamation 2019](#).

If no corrections or editorial changes are necessary, please check the box below.
