

## Chapter 6—Distinction Designations

---

Districts and campuses that receive an accountability rating of *A*, *B*, *C*, or *D* are eligible to earn distinction designations. Distinction designations are awarded for achievement in several areas and are based on performance relative to a group of campuses of similar type, size, grade span, and student demographics.

### Distinction Designations

For 2019, distinction designations are awarded in the following areas:

- Academic Achievement in English Language Arts/Reading (campus only)
- Academic Achievement in Mathematics (campus only)
- Academic Achievement in Science (campus only)
- Academic Achievement in Social Studies (campus only)
- Top 25 Percent: Comparative Academic Growth (campus only)
- Top 25 Percent: Comparative Closing the Gaps (campus only)
- Postsecondary Readiness (district and campus)

### Distinction Designation Labels

The Distinction Designation Reports show one of the following labels for each distinction designation:

***Distinction Earned.*** The district or campus is rated *A*, *B*, *C*, or *D* and meets the criteria for the distinction designation.

***No Distinction Earned.*** The district or campus is rated *F* or does not meet the criteria for the distinction designation.

***Not Eligible.*** The district or campus does not have results to evaluate for the distinction designation, is not rated, is evaluated by alternative education accountability (AEA) provisions, or is a campus paired with a feeder campus for accountability evaluation.

### Campus Comparison Groups

Each campus is assigned to a unique comparison group comprised of Texas schools that are most similar to it. To determine the campus comparison group, each campus is identified by school type (See the school types chart in “Chapter 1—2019 Accountability Overview” for more information.) then grouped with 40 other campuses from anywhere in Texas that are most similar in grade levels served, size, percentage of students who are economically disadvantaged, mobility rate, percentage of English learners, percentage of students receiving special education services, and percentage of students enrolled in an Early College High School program. Each campus has only one unique campus comparison group. There is no limit on the number of comparison groups to which a campus may be a member. It is possible for a campus to be a member of no comparison group other than its own or a member of several comparison groups.

A campus earns a distinction designation if it is in the top quartile (Q1) of its comparison group for at least 33 percent (for high schools and K–12 campuses) or 50 percent (for elementary and middle schools) of the indicators used to award the distinction.

- For an indicator to be used to evaluate campuses for a distinction designation, at least 20 campuses in the comparison group must have data for that indicator. If fewer than 20 campuses

have data for the indicator, it cannot be used to evaluate campuses for the distinction. This often affects campuses with non-traditional grade spans.

- When campuses have scores that tie in the Top 25 Percent: Comparative Academic Growth and Top 25 Percent: Comparative Closing the Gaps distinctions, the top ten campuses in the group are awarded the distinction. If the tie occurs at the ten-campus point, the campuses that tie with campus ten will be awarded the distinction.
- Campuses will not have access to the performance data of other campuses and will not know where they rank in their comparison groups until the public release of all accountability data.

For details on how campus comparison groups are constructed, please see Appendix E.

## Academic Achievement in English Language Arts/Reading

An Academic Achievement Distinction Designation (AADD) is awarded to campuses for outstanding achievement in ELA/reading based on outcomes of several performance indicators.

**Who is Eligible:** Campuses assigned an *A, B, C, or D* rating

**Student Groups:** Performance of only the all students group is used.

**Minimum Size:** Minimum size is determined separately for each indicator.

- *Attendance Rate.* Minimum size is based on total days in membership. If a campus has fewer than 1,800 total days in membership (e.g., 10 students x 180 school days) attendance cannot be used to evaluate the campus for this distinction.
- *Assessments (STAAR, AP/IB, SAT, and/or ACT).* Minimum size is 10 students for each assessment. If a campus has fewer than 10 test takers for an assessment, any indicator relying on that assessment cannot be used to evaluate the campus for this distinction.
- *Participation.*
  - *AP/IB: ELA.* Minimum size is 10 students enrolled in grades 11 and 12.
  - *Advanced/Dual-Credit Course Completion: ELA/Reading.* Minimum size is 10 students in grades 9 through 12 who complete at least one course.
  - *SAT/ACT Participation.* Minimum size is 10 reported annual graduates.

### AADD ELA/Reading Indicators:

- Attendance Rate
- Accelerated Student Progress in ELA/Reading
- Grade 3 Reading Performance (Masters Grade Level)
- Grade 4 Reading Performance (Masters Grade Level)
- Grade 4 Writing Performance (Masters Grade Level)
- Grade 5 Reading Performance (Masters Grade Level)
- Grade 6 Reading Performance (Masters Grade Level)
- Grade 7 Reading Performance (Masters Grade Level)
- Grade 7 Writing Performance (Masters Grade Level)
- Grade 8 Reading Performance (Masters Grade Level)
- English I Performance (Masters Grade Level)
- English II Performance (Masters Grade Level)
- AP/IB Examination Participation: ELA
- AP/IB Examination Results (Examinees  $\geq$  Criterion): ELA

- SAT/ACT Participation
- Average SAT Score: Reading and Writing
- Average ACT Score: ELA
- Advanced/Dual-Credit Course Completion Rate: ELA/Reading (grades 9–12)

**Methodology:**

*Step 1:* Determine a campus's performance on each indicator that applies to it and for which it has data.

*Step 2:* Compare that campus's performance for each indicator within the campus comparison group.

*Step 3:* Determine if the campus is in the top 25 percent of its campus comparison group.

- High schools and combined elementary/secondary schools (K–12) must be in the top quartile (Q1) for 33 percent or more of all the indicators for which they have data.
- Middle schools, junior high schools, and elementary schools must be in the top quartile for 50 percent or more of all the indicators for which they have data.

Please see Appendix H for a description of the source of data for each indicator.

**Other information:**

- *Advanced/Dual-Credit Course Completion: ELA/Reading.* The advanced/dual-credit course completion rate for ELA/reading includes students enrolled in grades 9 through 12.
- *Assessments.* A complete list of AP and IB assessments used to award this distinction is available in Appendix H.
- *Attendance Rate.* This is based on student attendance for the entire school year for students in grades 1–12. The attendance rate indicator applies to all four subject area distinctions. Consequently, this indicator cannot be the sole measure used by a campus to attain an AADD.

**Example Campus Calculation:**

<i>Example:</i> Colonial High School is fictional but typical of Texas high schools with varied performance on the 10 indicators for this distinction. To determine whether it has earned the distinction, its performance is compared to its unique campus comparison group for each of the 10 indicators. It must be in the top quartile (Q1) for at least 33 percent of the indicators to earn the AADD in ELA/Reading.											
Step 1	Determine Colonial HS performance on its 10 indicators	Attendance rate	Accelerated ELA Progress	English I Performance	English II Performance	AP/IB ELA Results	AP/IB ELA Participation	SAT/ACT Participation	Average SAT Score: Reading and Writing	Average ACT Score: ELA	Advanced/Dual-Credit Course Completion
		93.3%	2%	8%	9%	72%	48.9%	90%	1079	23.5	18.5%
Step 2	Compare performance to campuses in Colonial HS Comparison Group.						Q1	Q1	Q1		Q1
						Q2				Q2	
				Q3	Q3						
		Q4	Q4								
Step 3	Is performance in the top quartile?	No	No	No	No	No	Yes	Yes	Yes	No	Yes
Result:		Performance on 4 of 10 indicators is in Q1, which is greater than 33 percent of indicators; Colonial High School earns an AADD in ELA/Reading.									

**Academic Achievement in Mathematics**

An AADD is awarded to campuses for outstanding achievement in mathematics based on outcomes of several performance indicators.

**Who is Eligible:** Campuses assigned an *A, B, C, or D* rating

**Student Groups:** Performance of only the all students group is used.

**Minimum Size:** Minimum size is determined separately for each indicator.

- *Attendance Rate.* Minimum size is based on total days in membership. If a campus has fewer than 1,800 total days in membership (e.g., 10 students x 180 school days) attendance cannot be used to evaluate the campus for this distinction.
- *Assessments (STAAR, AP/IB, SAT, and/or ACT).* Minimum size is 10 students for each assessment. If a campus has fewer than 10 test takers for an assessment, any indicator relying on that assessment cannot be used to evaluate the campus for this distinction.
- *Participation*
  - *AP/IB: Mathematics.* Minimum size is 10 students enrolled in grades 11 and 12.
  - *Advanced/Dual-Credit Course Completion: Mathematics.* Minimum size is 10 students in grades 9 through 12 who complete at least one course.
  - *Algebra I by Grade 8 Participation.* Minimum size is 10 students enrolled in grade 8.
  - *SAT/ACT Participation.* Minimum size is 10 reported annual graduates.

**AADD Mathematics Indicators:**

- Attendance Rate
- Accelerated Student Progress in Mathematics
- Grade 3 Mathematics Performance (Masters Grade Level)
- Grade 4 Mathematics Performance (Masters Grade Level)
- Grade 5 Mathematics Performance (Masters Grade Level)
- Grade 6 Mathematics Performance (Masters Grade Level)
- Grade 7 Mathematics Performance (Masters Grade Level)
- Grade 8 Mathematics Performance (Masters Grade Level)
- Algebra I by Grade 8 Participation
- Algebra I Performance (Masters Grade Level)
- AP/IB Examination Participation: Mathematics
- AP/IB Examination Results (Examinees  $\geq$  Criterion): Mathematics
- SAT/ACT Participation
- Average SAT Score: Mathematics
- Average ACT Score: Mathematics
- Advanced/Dual-Credit Course Completion Rate: Mathematics (grades 9–12)

**Methodology:**

*Step 1:* Determine a campus's performance on each indicator that applies to it and for which it has data.

*Step 2:* Compare that campus's performance for each indicator within the campus comparison group.

*Step 3:* Determine if the campus is in the top 25 percent of its campus comparison group.

- High schools and combined elementary/secondary schools (K–12) must be in the top quartile (Q1) for 33 percent or more of all the indicators for which they have data.
- Middle schools, junior high schools, and elementary schools must be in the top quartile for 50 percent or more of all the indicators for which they have data.

Please see Appendix H for a description of the source of data for each indicator.

**Other information:**

- *Algebra I by Grade 8 Participation:* The Algebra I by Grade 8 Participation indicator limits the denominator to grade 8 students based on 2018 TSDS PEIMS fall enrollment. The numerator is Algebra I assessments taken in either the current or any prior school year as reported in the consolidated accountability file (CAF) cumulative history section.
- *Advanced/Dual-Credit Course Completion: Mathematics.* The advanced/dual-credit course completion rate for mathematics includes students enrolled in grades 9 through 12.
- *Assessments.* A complete list of AP and IB assessments used to award this distinction is available in Appendix H.
- *Attendance Rate.* This is based on student attendance for the entire school year for students in grades 1–12. The attendance rate indicator applies to all four subject area distinctions. Consequently, this indicator cannot be the sole measure used by a campus to attain an AADD.

**Academic Achievement in Science**

An AADD is awarded to campuses for outstanding achievement in science based on outcomes of several performance indicators.

**Who is Eligible:** Campuses assigned an *A, B, C, or D* rating

**Student Groups:** Performance of only the all students group is used.

**Minimum Size:** Minimum size is determined separately for each indicator.

- *Attendance Rate.* Minimum size is based on total days in membership. If a campus has fewer than 1,800 total days in membership (e.g., 10 students x 180 school days) attendance cannot be used to evaluate the campus for this distinction.
- *Assessments (STAAR, AP/IB, and/or ACT).* Minimum size is 10 students for each assessment. If a campus has fewer than 10 test takers for an assessment, any indicator relying on that assessment cannot be used to evaluate the campus for this distinction.
- *Participation.*
  - *AP/IB: Science.* Minimum size is 10 students enrolled in grades 11 and 12.
  - *Advanced/Dual-Credit Course Completion: Science.* Minimum size is 10 students in grades 9 through 12 who complete at least one course.

**AADD Science Indicators:**

- Attendance Rate
- Grade 5 Science Performance (Masters Grade Level)
- Grade 8 Science Performance (Masters Grade Level)
- EOC Biology Performance (Masters Grade Level)
- AP/IB Examination Participation: Science
- AP/IB Examination Results (Examinees  $\geq$  Criterion): Science
- Average ACT Score: Science
- Advanced/Dual-Credit Course Completion Rate: Science (grades 9–12)

**Methodology:**

*Step 1:* Determine a campus's performance on each indicator that applies to it and for which it has data.

*Step 2:* Compare that campus's performance for each indicator within the campus comparison group.

*Step 3:* Determine if the campus is in the top 25 percent of its campus comparison group.

- High schools and combined elementary/secondary schools (K–12) must be in the top quartile (Q1) for 33 percent or more of all the indicators for which they have data.
- Middle schools, junior high schools, and elementary schools must be in the top quartile for 50 percent or more of all the indicators for which they have data.

Please see Appendix H for a description of the source of data for each indicator.

**Other information:**

- *Advanced/Dual-Credit Course Completion: Science.* The advanced/dual-credit course completion rate for science includes students enrolled in grades 9 through 12.
- *Assessments.* A complete list of AP and IB assessments used to award this distinction is available in Appendix H.
- *Attendance Rate.* This is based on student attendance for the entire school year for students in grades 1–12. The attendance rate indicator applies to all four subject area distinctions. Consequently, this indicator cannot be the sole measure used by a campus to attain a distinction.

## Academic Achievement in Social Studies

An AADD is awarded to campuses for outstanding achievement in social studies based on outcomes of several performance indicators.

**Who is Eligible:** Campuses assigned an *A*, *B*, *C*, or *D* rating

**Student Groups:** Performance of only the all students group is used.

**Minimum Size:** Minimum size is determined separately for each indicator.

- *Attendance Rate.* Minimum size is based on total days in membership. If a campus has fewer than 1,800 total days in membership (e.g., 10 students x 180 school days) attendance cannot be used to evaluate the campus for this distinction.
- *Assessments (STAAR and/or AP/IB).* Minimum size is 10 students for each assessment. If a campus has fewer than 10 test takers for an assessment, any indicator relying on that assessment cannot be used to evaluate the campus for this distinction.
- *Participation.*
  - *AP/IB: Social Studies.* Minimum size is 10 students enrolled in grades 11 and 12.
  - *Advanced/Dual-Credit Course Completion: Social Studies.* Minimum size is 10 students in grades 9 through 12 who complete at least one course.

### AADD Social Studies Indicators:

- Attendance Rate
- Grade 8 Social Studies Performance (Masters Grade Level)
- EOC U.S. History Performance (Masters Grade Level)
- AP/IB Examination Participation: Social Studies
- AP/IB Examination Results (Examinees  $\geq$  Criterion): Social Studies
- Advanced/Dual-Credit Course Completion Rate: Social Studies (grades 9–12)

### Methodology:

*Step 1:* Determine a campus's performance on each indicator that applies to it and for which it has data.

*Step 2:* Compare that campus's performance for each indicator within the campus comparison group.

*Step 3:* Determine if the campus is in the top 25 percent of its campus comparison group.

- High schools and combined elementary/secondary schools (K–12) must be in the top quartile (Q1) for 33 percent or more of all the indicators for which they have data.
- Middle schools, junior high schools, and elementary schools must be in the top quartile for 50 percent or more of all the indicators for which they have data.

Please see Appendix H for a description of the source of data for each indicator.

**Other information:**

- *Advanced/Dual-Credit Course Completion: Social Studies.* The advanced/dual-credit course completion rate for social studies includes students enrolled in grades 9 through 12.
- *Assessments.* A complete list of AP and IB assessments used to award this distinction is available in Appendix H.
- *Attendance Rate.* This is based on student attendance for the entire school year for students in grades 1–12. The attendance rate indicator applies to all four subject area distinctions. Consequently, this indicator cannot be the sole measure used by a campus to attain a distinction.

## Top 25 Percent: Comparative Academic Growth

A distinction designation for outstanding academic growth is awarded to campuses whose School Progress, Part A domain scaled score is ranked in the top 25 percent (Q1) of campuses in its campus comparison group.

**Who is Eligible:** Campuses evaluated on School Progress, Part A and assigned an *A, B, C, or D* rating

**Methodology:** Campuses are arranged in descending order per School Progress, Part A scaled scores. If the School Progress, Part A scaled score for a campus is within the top quartile of its comparison group, it earns a distinction for student progress.

For more information on the School Progress domain, please see “Chapter 3—School Progress Domain.”

## Top 25 Percent: Comparative Closing the Gaps

A distinction designation for outstanding performance in closing student achievement gaps is awarded to campuses whose Closing the Gaps domain scaled score is ranked in the top 25 percent (Q1) of campuses in its campus comparison group.

**Who is Eligible:** Campuses evaluated on Closing the Gaps domain and assigned an *A, B, C, or D* rating

**Methodology:** Campuses are arranged in descending order per their Closing the Gaps domain scaled scores. If the Closing the Gaps scaled score for a campus is in the top quartile of its comparison group, it earns a distinction for closing student achievement gaps.

For more information on the Closing the Gaps domain, please see “Chapter 4—Closing the Gaps Domain.”

## Postsecondary Readiness

Both districts and campuses that receive an *A, B, C, or D* rating are eligible for a distinction designation for outstanding academic performance in attainment of postsecondary readiness. To earn a distinction for postsecondary readiness, an elementary or middle school must be in the top quartile for at least one of the indicators for which they have data, high schools and K–12 campuses must have at least 33 percent of their indicators in the top quartile of their campus comparison groups, and districts must have at least 55 percent of all their campuses’ postsecondary indicators in the top quartile.

**Who is Eligible:** Multi-campus districts and campuses assigned an *A, B, C, or D* rating

For single-campus districts and charter schools that share the same 2019 performance data as its only campus, the campus is eligible to earn a postsecondary readiness distinction designation, but the district or charter school is *not* eligible to earn the district postsecondary readiness distinction designation.

**Student Groups:** Performance of the all students group only

**Minimum Size:** The all students group must have a minimum size of 10.

**Postsecondary Readiness Indicators for Campuses:**

- Percentage of STAAR Results at Meets Grade Level or Above Standard (All Subjects)
- Percentage of Grade 3–8 Results at Meets Grade Level or Above in Both Reading and Mathematics
- Four-Year Longitudinal Graduation Rate
- Four-Year Longitudinal Graduation Plan Rate
- TSI Criteria Graduates
- College, Career, and Military Ready Graduates
- SAT/ACT Participation
- AP/IB Examination Participation: Any Subject
- CTE Coherent Sequence Graduates

**Methodology:**

*Elementary and Middle Schools:* Elementary and middle schools must be in the top quartile (Q1) for 50 percent or more of all the indicators for which they have data.

*High Schools:* High schools and combined elementary/secondary schools (K–12) must be in the top quartile (Q1) for 33 percent or more of all the indicators for which they have data.

*Districts:* A district must have at least 55 percent of its campuses' postsecondary indicators in the top quartile (Q1). See the sample district calculation at the end of this chapter.

Districts with fewer than five campus-level postsecondary indicators are not eligible for the postsecondary readiness distinction.

**Example Postsecondary Readiness Campus Calculation:**

*Example:* Beta High School is fictional but typical of Texas high schools with varied performance on the eight indicators for this distinction. To determine whether it has earned the distinction, its performance is compared to its unique campus comparison group for each of the eight indicators for which Beta High School had data. It must be in the top quartile (Q1) for at least 33 percent of the indicators to earn the Postsecondary Readiness Distinction Designation.

<b>Step 1</b>	Determine Beta HS performance on its eight indicators.	STAAR Meets Grade Level or Above Standard <b>47%</b>	Graduation Rate <b>87.7%</b>	Graduation Plan Rate <b>85.9%</b>	TSI Criteria Graduates <b>79%</b>	College, Career, and Military Ready Graduates <b>85%</b>	SAT/ACT Participation <b>94.4%</b>	AP/IB Participation <b>49.6%</b>	CTE Coherent Sequence Graduates <b>28%</b>
<b>Step 2</b>	Compare performance to campuses in Beta HS Comparison Group.			Q1	Q1	Q1	Q1		
		Q2	Q2						
								Q3	
									Q4
<b>Step 3</b>	Is performance in the top quartile?	No	No	Yes	Yes	Yes	Yes	No	No
<b>Result:</b>		Performance on four of eight indicators is in Q1, which is greater than 33 percent of indicators. Beta High School earns a Postsecondary Readiness Distinction Designation.							

**Other Information:**

*Percentage of STAAR Results at Meets Grade Level or Above Standard (All Subjects).* This indicator measures the total percentage of STAAR results in all subjects at the Meets Grade Level or above standard.

*Percentage of Grade 3–8 Results at Meets Grade Level or Above Standard in Both Reading and Mathematics.* This indicator measures the percentage of students in grades 3–8 who were administered the reading and mathematics STAAR and achieved the Meets Grade Level or above standard on both assessments.

*Four-Year Longitudinal Graduation Plan Rate.* This indicator uses the rate comprised of students who graduate with Recommended High School Plan (RHSP) or Distinguished Achievement Plan (DAP) or Foundation High School Plan with an Endorsement (FHSP-E) or Foundation High School Plan with a Distinguished Level of Achievement (FHSP-DLA).

*CTE Coherent Sequence Graduates.* This indicator measures the percentage of 2017–18 annual graduates enrolled in a four-year plan of study to take two or more CTE courses for three or more credits. The CTE coherent sequence designation is taken from the summer 2018 TSDS PEIMS submission. For more information, see Appendix H.

*Methodology.* A complete description of the methodology and data sources used in determining each of the indicators in the table above is in Appendix H.

**Example District Postsecondary Readiness Calculation:**

<i>Example:</i> A sample district has 12 campuses. Each campus has either 2 or 8 possible indicators for this distinction.			
<b>School</b>	<b>Grade Span</b>	<b>Postsecondary Indicators in Top Quartile for This School</b>	<b>Maximum Possible Postsecondary Indicators</b>
High School A	9–12	7	8
High School B	9–12	6	8
Middle School C	6–8	0	2
Middle School D	6–8	1	2
Middle School E	6–8	1	2
Middle School F	6–8	1	2
Elementary G	PK–5	2	2
Elementary H	PK–5	1	2
Elementary I	PK–5	2	2
Elementary J	PK–5	2	2
Elementary K	PK–5	0	2
Elementary L	PK–5	2	2
<b>Total</b>		<b>25</b>	<b>36</b>
<b>Result:</b>	Performance on 25 of 36 indicators is in Q1, or 69 percent, which is greater than 55 percent. This sample district earns a Postsecondary Readiness Distinction Designation.
