**Basis for School FIRST Rating**

Your district’s rating is based on an analysis of the district’s financial data for fiscal year 2018 (the fiscal period ended June 30, 2018, or August 31, 2018, depending on the ending date of your district’s fiscal year). We determined your district’s rating using the financial indicators specified in [19 Texas Administrative Code (TAC) §109.1001(e)](http://www.texas.gov).

Please carefully review your district’s preliminary School FIRST rating and the data associated with each of the 15 indicators.

**Opportunity for Appeal**

If your district wishes to appeal an adverse issue it identifies in the preliminary rating, your district may submit a written appeal with supporting evidence to the TEA Financial Compliance Division. For the appeal to be considered, we must receive it by [September 9, 2019](http://www.texas.gov). Send any appeal to the following address:

Texas Education Agency  
Financial Compliance Division  
1701 North Congress Avenue  
Austin, TX 78701

Please see [19 TAC §109.1001(n)](http://www.texas.gov) for the rules regarding the filing of an appeal. As stated in that section, we will consider only an appeal that would result in a change to your district’s rating. **If no appeal is submitted by your district, the preliminary rating becomes final on the 31st day after the preliminary ratings are released (September 10, 2019).**

**Final School FIRST Rating and Required Reporting**

We will issue final ratings to school districts after we have reviewed any submitted appeals. Final 2018–2019 School FIRST ratings are anticipated to be released in October 2019.

Within two months of the release of its final School FIRST rating, your district must announce and hold a public meeting to distribute a financial management report that explains the district’s

rating and its performance under each indicator for the current and previous year’s ratings. The report also must provide the financial information described in 19 TAC §109.1001(q)(3). We encourage your district to include in the report additional information that will be beneficial to stakeholders, especially information explaining any special circumstances that may have affected the district’s performance under one or more of the indicators.

The required newspaper notice to inform taxpayers of the meeting must be published no more than 30 days and no fewer than 10 days before the public meeting. Your district may combine the meeting with a scheduled regular meeting of the board of trustees.

For full requirements related to the report and meeting, see 19 TAC §109.1001(q). For a template that your district can use in developing its financial management report, see the TEA School FIRST web page.

Accreditation Status
Please note that the TEA considers a district’s School FIRST rating when assigning an accreditation status, as required by the accreditation status rules in 19 TAC §97.1055.
