

# There are more than 8,600 public schools in Texas.

How do you know how your child's school is doing compared to others in the state?

## Texas Education Agency Accountability Rating System

Every school gets one of two ratings: **MET STANDARD** or **IMPROVEMENT REQUIRED**.

The Texas Education Agency looks at four areas in determining a school or district's accountability rating:

### Student Achievement

STAAR test scores for the year

### Student Progress

Progress in subjects from year-to-year

### Closing Performance Gaps

Emphasis on high-level achievement of lowest performing students

### Postsecondary Readiness

Graduation rates  
Diploma plans  
College and career readiness standards

Schools receiving the **MET STANDARD** rating may qualify for special honors called Distinctions.

There are 7 possible distinctions:

- Academic Achievement in Reading/English Language Arts
- Academic Achievement in Mathematics
- Academic Achievement in Science
- Academic Achievement in Social Studies
- Top 25 Percent: Student Progress
- Top 25 Percent: Closing Performance Gaps
- Postsecondary Readiness
