

Social Studies Streamlining Work Group A
US History

What are the main concerns that were raised in the survey and the EOC feedback?

1. Revising and streamlining the strands into cohesive eras. (ex., as those listed above)
2. Verbiage of the TEKS – i.e. Such as, including
3. Streamline or delete number of historical figures
4. Revisit SEC's outside chronological time period/subject

What suggestions do you have for how work groups can address these concerns?

1. Cluster standards into cohesive eras. Then review each strand/TEK as to information concerning that era.
2. Clarify verbiage/provide specify on topics within the TEKS.
3. Review list of historical figures to era and justify need to keep.

Specific concepts, topics student expectations that are problematic, should not be deleted, and or streamlined can be found in the attached word document.-TEKS workgroup A US History Working Document.
