* Number of multiple-choice items correct + (composition score x 1)
** Met Standard level
*** Commended Performance level

Since the Met Standard level cannot be obtained with less than a '2' on the written composition portion, a composition score of '1' plus 16 or more multiple-choice items or a composition score of '0' plus 17 or more multiple-choice items will result in the scale score corresponding to one point below the Met Standard level.

A written composition score of '3' or higher is required to achieve the Commended Performance level.
