* Number of multiple-choice and short answer score points + (composition score x 4)
** Met Standard level
*** Commended Performance level

Since the Met Standard level cannot be obtained with less than a '2' on the written composition portion, a composition score of '1' plus 40 or more multiple-choice items and short answer score points or a composition score of '0' plus 44 or more multiple-choice items and short answer score points will result in the scale score corresponding to one point below the Met Standard level.

A written composition score of '2' or higher is required to achieve the Commended Performance level.
