✓: Used in Accountability ✗: Available but not used in Accountability n/a: Not Available

- (1) STAAR Progress Measures were not available for 2013 STAAR Modified and STAAR Alternate assessments.
- (2) Index 4 evaluates the Final Level II student passing standards which were required by statute to be included in accountability beginning in 2014.
- (3) STAAR Alternate and STAAR Alternate 2 have no Final Level II equivalent passing standard.
- (4) Index 2 was not evaluated for high schools due to the reduction in STAAR Progress Measures available for EOC assessments in 2014.
- (5) Substitute assessments apply to the Final Level II student performance standard only and progress measures are not calculated.
- (6) ELL students in their first four years in U.S. schools who take STAAR L are excluded from Index 3 and Index 4.
- (7) Due to the transition to revised TEKS in 2014–15, STAAR results for grades 3–8 mathematics are not evaluated in 2015.
