¹ PSPs can be selected through the PSP network and participating ESCs can serve in the PSP role. ESCs seeking approval to serve in PSP role, outside of the approved pilot regions (ESCs 6, 13, 18), must notify the Division of School Improvement. If participating in an external TEA planned partnership through the Instructional Leadership Initiative with Relay, Teaching Trust, New Leaders, or served through an approved ESC pilot region **please await further TEA correspondence**.

² Local decision to choose to contract with a PSP.

³ Additional support decisions will be made at a local level.
