**Statutory Citation Relating to Proposed Amendment to 19 TAC Chapter 101, Assessment, Subchapter DD, Commissioner's Rules Concerning Substitute Assessments for Graduation, §101.4002, State of Texas Assessments of Academic Readiness End-of-Course Substitute Assessments**

**Texas Education Code, §39.025, Secondary-Level Performance Required (excerpts):**

- (a) The commissioner shall adopt rules requiring a student in the foundation high school program under Section 28.025 to be administered an end-of-course assessment instrument listed in Section 39.023(c) only for a course in which the student is enrolled and for which an end-of-course assessment instrument is administered. A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner under Section 39.0241(a), on each end-of-course assessment instrument administered to the student. For each scale score required under this subsection that is not based on a 100-point scale scoring system, the commissioner shall provide for conversion, in accordance with commissioner rule, of the scale score to an equivalent score based on a 100-point scale scoring system. A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course assessment instruments in the manner provided under this subsection. This subsection does not require a student to demonstrate readiness to enroll in an institution of higher education.
- (a-2) The commissioner shall determine a method by which a student's satisfactory performance on an advanced placement test, an international baccalaureate examination, an SAT Subject Test, the SAT, the ACT, or any nationally recognized norm-referenced assessment instrument used by institutions of higher education to award course credit based on satisfactory performance on the assessment instrument shall be used to satisfy the requirements concerning an end-of-course assessment instrument in an equivalent course as prescribed by Subsection (a). The commissioner shall determine a method by which a student's satisfactory performance on the PSAT or the ACT-Plan shall be used to satisfy the requirements concerning an end-of-course assessment instrument in an equivalent course as prescribed by Subsection (a). A student who fails to perform satisfactorily on a test or other assessment instrument authorized under this subsection, other than the PSAT or the ACT-Plan, may retake that test or other assessment instrument for purposes of this subsection or may take the appropriate end-of-course assessment instrument. A student who fails to perform satisfactorily on the PSAT or the ACT-Plan must take the appropriate end-of-course assessment instrument. The commissioner shall adopt rules as necessary for the administration of this subsection.
