

The Texas Education Agency (TEA) adopts new §§67.1001, 67.1003, and 67.1004, concerning the Instructional Materials and Technology Allotment. The new sections are adopted without changes to the proposed text as published in the March 7, 2025 issue of the *Texas Register* (50 TexReg 1751) and will not be republished. The adopted new rules establish the requirements for the Instructional Materials and Technology Allotment and establish guidance regarding the use of the additional state aid for state-approved instructional materials and open education resource instructional materials.

**REASONED JUSTIFICATION:** Adopted new §67.1001, Instructional Materials and Technology Allotment, clarifies the allowable uses of funds for the Instructional Materials and Technology Allotment that previously existed in 19 TAC §66.1307. This section also clarifies the commissioner's authority to set the allotment amounts for each school district and open-enrollment charter school and special school districts.

House Bill 1605, 88th Texas Legislature, Regular Session, 2023, established two new entitlements from the Foundation School Program. The bill also established requirements in Texas Education Code (TEC), Chapter 48, for the access to the funding.

Adopted new §67.1003, Additional State Aid for State-Approved Instructional Materials, clarifies the allowable uses of funds for the entitlement in TEC, §48.307, pertaining to additional state aid for state-approved instructional materials.

Adopted new §67.1004, Additional State Aid for Open Education Resource Instructional Materials, clarifies the allowable uses of funds for the entitlement in TEC, §48.308, pertaining to additional state aid for open education resource instructional materials.
