

The Texas Education Agency (TEA) proposes an amendment to §151.1001, concerning passing standards for educator certification examinations. The proposed amendment would specify the satisfactory scores for the examinations for English Language Arts and Reading 7-12; Health Early Childhood (EC)-12; Physical Education EC-12; edTPA: Elementary Literacy; edTPA: Elementary Mathematics; : Early Childhood Education; edTPA: Elementary Education-Mathematics with Literacy Task 4; and edTPA: Career and Technical Education and remove Pedagogy and Professional Responsibilities for Trade and Industrial Education 6-12.

BACKGROUND INFORMATION AND JUSTIFICATION: Texas Education Code, §21.048(a), requires the commissioner of education to establish the satisfactory levels of performance required on educator certification examinations and requires a satisfactory level of performance on each core subject covered by an examination. The proposed passing standards were established by subject-matter expert stakeholder committee groups.

Section 151.1001 specifies the passing standards for all pedagogical and content certification examinations as approved by the commissioner. The proposed amendment to Figure: 19 TAC §151.1001(b)(4) would introduce passing standards for the English Language Arts and Reading 7-12 examination.

The proposed amendment to Figure: 19 TAC §151.1001(b)(7) would introduce passing standards for the Health EC-12 and Physical Education EC-12 examinations.

The proposed amendment to Figure: 19 TAC §151.1001(b)(14) would remove Pedagogy and Professional Responsibilities for Trade and Industrial Education 6-12 TExES as a valid exam and introduce passing standards for the edTPA: Elementary Literacy; edTPA: Elementary Mathematics; edTPA: Early Childhood Education; edTPA: Elementary Education-Mathematics with Literacy Task 4; and edTPA: Career and Technical Education.

The average passing standard is expressed as an average raw cut score of all active forms of a test or the minimum proficiency level. It is critical to note that the actual raw cut scores may vary slightly from form to form to balance the overall difficulty of the test yet maintain consistency in scoring.

FISCAL IMPACT: Emily Garcia, associate commissioner for educator preparation, certification, and enforcement, has determined that for the first five-year period the proposal is in effect, there are no additional costs to state or local government, including school districts and open-enrollment charter schools, required to comply with the proposal.

LOCAL EMPLOYMENT IMPACT: The proposal has no effect on local economy; therefore, no local employment impact statement is required under Texas Government Code, §2001.022.

SMALL BUSINESS, MICROBUSINESS, AND RURAL COMMUNITY IMPACT: The proposal has no direct adverse economic impact for small businesses, microbusinesses, or rural communities; therefore, no regulatory flexibility analysis, specified in Texas Government Code, §2006.002, is required.

COST INCREASE TO REGULATED PERSONS: The proposal does not impose a cost on regulated persons, another state agency, a special district, or a local government and, therefore, is not subject to Texas Government Code, §2001.0045.

TAKINGS IMPACT ASSESSMENT: The proposal does not impose a burden on private real property and, therefore, does not constitute a taking under Texas Government Code, §2007.043.

GOVERNMENT GROWTH IMPACT: TEA staff prepared a Government Growth Impact Statement assessment for this proposed rulemaking. During the first five years the proposed rulemaking would be in effect, it would expand an existing regulation by including passing standards for new examinations.

The proposed rulemaking would not create or eliminate a government program; would not require the creation of new employee positions or elimination of existing employee positions; would not require an increase or decrease in future legislative appropriations to the agency; would not require an increase or decrease in fees paid to the agency; would not create a new regulation; would not limit or repeal an existing regulation; would not increase or decrease

the number of individuals subject to its applicability; and would not positively or adversely affect the state's economy.

PUBLIC BENEFIT AND COST TO PERSONS:Ms. Garcia has determined that for each year of the first five years the proposal is in effect, the public benefit anticipated as a result of enforcing the proposal would be to provide clarity to educators and others regarding the required passing standards for Texas certification examinations. There is no anticipated economic cost to persons who are required to comply with the proposal.

DATA AND REPORTING IMPACT: The proposal would have no data and reporting impact.

PRINCIPAL AND CLASSROOM TEACHER PAPERWORK REQUIREMENTS: TEA has determined that the proposal would not require a written report or other paperwork to be completed by a principal or classroom teacher.

PUBLIC COMMENTS: The public comment period on the proposal begins June 28, 2024, and ends July 29, 2024. A request for a public hearing on the proposal submitted under the Administrative Procedure Act must be received by the commissioner of education not more than 14 calendar days after notice of the proposal has been published in the *Texas Register* on June 28, 2024.
