

The Texas Education Agency (TEA) proposes the repeal of §61.1051 and §61.1053, concerning prevention, awareness, and reporting of child abuse or neglect, including trafficking of a child. The proposed repeal would relocate the existing requirements relating to school district policies on reporting child abuse and neglect and required signage pertaining to criminal offenses of human trafficking to proposed new 19 TAC Chapter 103, Subchapter EE. The proposed new rules would include updates to align with legislation from the 88th Texas Legislature, Regular Session, 2023.

**BACKGROUND INFORMATION AND JUSTIFICATION:** Section 61.1051 relates to the reporting of child abuse and neglect and related training requirements for school districts and open-enrollment charter schools.

Section 61.1053 relates signage requirements for posting the offenses of human trafficking on public school premises.

In order to align the rules with other provisions on health and safety, the proposed repeal would relocate the requirements from §61.1051 and §61.1053 to proposed new 19 TAC Chapter 103, Health and Safety, Subchapter EE, Commissioner's Rules on Prevention, Awareness, and Reporting of Child Abuse or Neglect, Including Trafficking of a Child. The proposed new sections would incorporate legislative updates from the 88th Texas Legislature, Regular Session, 2023. A separate rule action for proposed new 19 TAC Chapter 103, Subchapter EE, provides a detailed description of the proposed changes from the existing rules.

**FISCAL IMPACT:** Steve Lecholop, deputy commissioner for governance, has determined that for the first five-year period the proposal is in effect, there are no additional costs to state or local government, including school districts and open-enrollment charter schools, required to comply with the proposal.

**LOCAL EMPLOYMENT IMPACT:** The proposal has no effect on local economy; therefore, no local employment impact statement is required under Texas Government Code, §2001.022.

**SMALL BUSINESS, MICROBUSINESS, AND RURAL COMMUNITY IMPACT:** The proposal has no direct adverse economic impact for small businesses, microbusinesses, or rural communities; therefore, no regulatory flexibility analysis, specified in Texas Government Code, §2006.002, is required.

**COST INCREASE TO REGULATED PERSONS:** The proposal does not impose a cost on regulated persons, another state agency, a special district, or a local government and, therefore, is not subject to Texas Government Code, §2001.0045.

**TAKINGS IMPACT ASSESSMENT:** The proposal does not impose a burden on private real property and, therefore, does not constitute a taking under Texas Government Code, §2007.043.

**GOVERNMENT GROWTH IMPACT:** TEA staff prepared a Government Growth Impact Statement assessment for this proposed rulemaking. During the first five years the proposed rulemaking would be in effect, it would repeal existing regulations in order to relocate the rules.

The proposed rulemaking would not create or eliminate a government program; would not require the creation of new employee positions or elimination of existing employee positions; would not require an increase or decrease in future legislative appropriations to the agency; would not require an increase or decrease in fees paid to the agency; would not create a new regulation; would not expand or limit an existing regulation; would not increase or decrease the number of individuals subject to its applicability; and would not positively or adversely affect the state's economy.

**PUBLIC BENEFIT AND COST TO PERSONS:** Mr. Lecholop has determined that for each year of the first five years the proposal is in effect, the public benefit anticipated as a result of enforcing the proposal would be relocating the rules to align them with other requirements for health and safety. There is no anticipated economic cost to persons who are required to comply with the proposal.

**DATA AND REPORTING IMPACT:** The proposal would have no data and reporting impact.

PRINCIPAL AND CLASSROOM TEACHER PAPERWORK REQUIREMENTS: TEA has determined that the proposal would not require a written report or other paperwork to be completed by a principal or classroom teacher.

PUBLIC COMMENTS: The public comment period on the proposal begins August 16, 2024, and ends September 16, 2024.
