

The Texas Education Agency (TEA) proposes the repeal of §61.1025, concerning Public Education Information Management System (PEIMS) data and reporting standards. The proposed repeal would relocate the existing standards to proposed new 19 TAC §55.1001 with no changes to the content of the rule.

BACKGROUND INFORMATION AND JUSTIFICATION: Section 61.1025 outlines data and reporting standards for PEIMS. The proposed repeal of §61.1025 would move the existing language to proposed new §55.1001. The relocation is necessary due to a comprehensive reorganization of 19 TAC Chapter 61.

FISCAL IMPACT: Terri Hanson, associate commissioner for data and business, has determined that for the first five-year period the proposal is in effect, there are no additional costs to state or local government, including school districts and open-enrollment charter schools, required to comply with the proposal.

LOCAL EMPLOYMENT IMPACT: The proposal has no effect on local economy; therefore, no local employment impact statement is required under Texas Government Code, §2001.022.

SMALL BUSINESS, MICROBUSINESS, AND RURAL COMMUNITY IMPACT: The proposal has no direct adverse economic impact for small businesses, microbusinesses, or rural communities; therefore, no regulatory flexibility analysis, specified in Texas Government Code, §2006.002, is required.

COST INCREASE TO REGULATED PERSONS: The proposal does not impose a cost on regulated persons, another state agency, a special district, or a local government and, therefore, is not subject to Texas Government Code, §2001.0045.

TAKINGS IMPACT ASSESSMENT: The proposal does not impose a burden on private real property and, therefore, does not constitute a taking under Texas Government Code, §2007.043.

GOVERNMENT GROWTH IMPACT: TEA staff prepared a Government Growth Impact Statement assessment for this proposed rulemaking. During the first five years the proposed rulemaking would be in effect, it would repeal an existing regulation to relocate the standards.

The proposed rulemaking would not create or eliminate a government program; would not require the creation of new employee positions or elimination of existing employee positions; would not require an increase or decrease in future legislative appropriations to the agency; would not require an increase or decrease in fees paid to the agency; would not create a new regulation; would not expand or limit an existing regulation; would not increase or decrease the number of individuals subject to its applicability; and would not positively or adversely affect the state's economy.

PUBLIC BENEFIT AND COST TO PERSONS: Ms. Hanson has determined that for each year of the first five years the proposal is in effect, the public benefit anticipated as a result of enforcing the proposal would be allowing for TEA rules to be reorganized. There is no anticipated economic cost to persons who are required to comply with the proposal.

DATA AND REPORTING IMPACT: The proposal would have no data and reporting impact.

PRINCIPAL AND CLASSROOM TEACHER PAPERWORK REQUIREMENTS: TEA has determined that the proposal would not require a written report or other paperwork to be completed by a principal or classroom teacher.

PUBLIC COMMENTS: The public comment period on the proposal begins March 21, 2025, and ends April 21, 2025. A request for a public hearing on the proposal submitted under the Administrative Procedure Act must be received by the commissioner of education not more than 14 calendar days after notice of the proposal has been published in the Texas Register on March 21, 2025. A form for submitting public comments is available on the TEA website at [https://tea.texas.gov/About_TEA/Laws_and_Rules/Commissioner_Rules_\(TAC\)/Proposed_Commissioner_of_Education_Rules/](https://tea.texas.gov/About_TEA/Laws_and_Rules/Commissioner_Rules_(TAC)/Proposed_Commissioner_of_Education_Rules/).

STATUTORY AUTHORITY. The repeal is proposed under Texas Education Code (TEC), §48.008, which establishes the Public Education Information Management System (PEIMS), a system school districts shall use to report information to the agency; and TEC, §48.009, which specifies certain required reporting by school districts through PEIMS.

CROSS REFERENCE TO STATUTE. The repeal implements Texas Education Code, §48.008 and §48.009.
