(C) [BB] internship [as defined in §228.2 of this title] for a minimum of one full school year for the classroom teacher assignment or assignments that match [matches] the certification category or categories [field] for which the candidate [individual] is prepared by the EPP. [The individual would hold a probationary certificate and be classified as a "teacher" as reported on the campus Public Education Information Management System (PEIMS) data.]

(i) An EPP may permit an internship of up to 30 school days less than the minimum if due to maternity leave, military leave, illness, or late hire date.

(ii) The beginning [and ending] date for an internship is the first [and last] day of instruction with students [based on the school calendar of] the school or district in which the internship takes place.

(iii) An internship assignment shall not be less than an average of four hours each day in the subject area and grade level of certification sought. An EPP may permit an additional internship assignment of less than an average of four hours each day if:

(v) An EPP may recommend an additional internship if:

(I) the EPP certifies that the first internship was not successful, the EPP has developed a plan to address any deficiencies identified by the candidate and the candidate's field supervisor, and the EPP implements the plan during the additional internship; or

(II) the EPP certifies that the first internship was successful and that the candidate is making satisfactory progress toward completing the EPP before the end of the additional internship.

(vi) An EPP must provide ongoing support to a candidate as described in subsection (g) of this section for the full term of the initial and any additional internship, unless, prior to the expiration of that term:

(I) a standard certificate is issued to the candidate during any additional internship under a probationary certificate;

(II) the candidate resigns, is non-renewed, or is terminated by the school or district. A candidate must provide the EPP the official notice of resignation or termination within one business day after receipt of the notice from the employing school or district. Within one business day after receipt of the official notice of resignation or termination, an EPP must notify a candidate in writing that the EPP will provide TEA with notice about the resignation or termination and that the intern certificate will be inactivated by the TEA 30 calendar days from the effective date of the resignation or termination. Within one business day after providing the notice to a candidate, an EPP must provide written notification to the employing school or district of the withdrawal, discharge, or release. Within one business day of providing
notice to the employing school or district, an EPP must email the TEA a copy of the notice of discharge or release and a copy of the notice to the employing school or district; or

Within one business day after providing a candidate with notice of discharge or release, an EPP must provide written notification to the employing school or district of the withdrawal, discharge, or release. Within one business day of providing notice to the employing school or district, an EPP must email the TEA a copy of the notice of withdrawal and a copy of the notice to the employing school or district.

(D) An EPP may request an exception to the clinical teaching option described in this subsection. An exception must include an alternate requirement that will adequately prepare candidates for educator certification and ensure the educator is effective in the classroom. The request for an exception must be submitted in a form developed by the TEA staff which shall include:

(i) the rationale and support for the alternate clinical teaching option;
(ii) a full description and methodology of the alternate clinical teaching option;
(iii) a description of the controls to maintain the delivery of equivalent, quality education; and

(E) Exception requests will be reviewed by TEA staff, and the TEA staff shall recommend to the State Board for Educator Certification (SBEC) whether the exception should be approved.

(F) Candidates need to experience a full range of professional responsibilities that shall include the start of the school year. The start of the school year is defined as the first 15 instructional days of the school year. If these experiences cannot be provided through clinical teaching, they must be provided through field-based experiences.

(3) [iii] An internship or clinical teaching experience for certificates that include early childhood [an Early Childhood-Grade 6 candidate] may be completed at a Head Start Program with the following stipulations:

(A) [iv] a certified teacher is available as a trained mentor;

(D) [vii] the state's prekindergarten [pre-kindergarten] curriculum guidelines are being implemented.

(4) [iii] An internship or [v] clinical teaching [or practicum] experience must take place in an actual school setting rather than a distance learning lab or virtual school setting.

(5) An internship or clinical teaching experience shall not take place in a setting where the candidate:

(A) has an administrative role over the mentor or cooperating teacher; or
(B) is related to the field supervisor, mentor, or cooperating teacher by blood (consanguinity) within the third degree or by marriage (affinity) within the second degree.

(6) [44] For certification in a class other than classroom teacher [candidates seeking professional certification], each EPP shall provide a practicum [as defined in §228.2 of this title] for a minimum of 160 clock-hours whereby a candidate must demonstrate proficiency in each of the educator standards for the certificate class being sought.

(A) A practicum experience must take place in an actual school setting rather than a distance learning lab or virtual school setting.

(i) A candidate for an intern or probationary certificate in a certification class other than classroom teacher must meet all requirements established by the recommending EPP, which shall be based on the qualifications and requirements for the class of certification sought and the duties to be performed by the holder of a probationary certificate in that class.

(ii) An EPP may recommend an additional practicum under a probationary certificate if:

(I) the EPP certifies that the first practicum was not successful, the EPP has developed a plan to address any deficiencies identified by the candidate and the candidate's field supervisor, and the EPP implements the plan during the additional practicum; or

(II) the EPP certifies that the first practicum was successful and that the candidate is making satisfactory progress toward completing the EPP before the end of the additional practicum.

(D) A practicum is successful when the field supervisor and the site supervisor recommend to the EPP that the candidate should be recommended for a standard certificate.

(7) [44] Subject to all the requirements of this section, the TEA may approve a school that is not a public school accredited by the TEA as a site for field-based experience, internship, clinical teaching, and/or practicum.

(A) All Department of Defense Education Activity (DoDEA) schools, wherever located, and all schools accredited by the Texas Private School Accreditation Commission (TEPSAC) are approved by the TEA for purposes of field-based experience, internship, clinical teaching, and/or practicum.

(B) An EPP may file an application with the TEA for approval, subject to periodic review, of a public school, a private school, or a school system located within any state or territory of the United States, as a site for field-based experience [or for video or other technology-based depiction of a school setting]. The application shall be in a form developed by the TEA staff and shall include, at a minimum, evidence showing that the instructional standards of the school or school system align with those of the applicable Texas Essential Knowledge and Skills (TEKS) and SBEC certification standards.

(C) An EPP may file an application with the TEA for approval, subject to periodic review, of a public or private school located within any state or territory of the United States, as a site for an internship, clinical teaching, and/or practicum required by this chapter. The

(D) An EPP may file an application with the TEA [SBEC] for approval, subject to periodic review, of a public or private school located outside the United States, as a site for clinical teaching, internship, or practicum required by this chapter. The application shall be in a form developed by the TEA staff and shall include, at a minimum, the same elements required in subparagraph (C) of this paragraph for schools located within any state or territory of the United States, with the addition of a description of the on-site program personnel and program support that will be provided and a description of the school's recognition by the U.S. State Department Office of Overseas Schools.

(f) Mentors, cooperating teachers, and site supervisors. In order to support a new educator and to increase educator retention, an EPP shall collaborate with the campus or district administrator to assign each candidate a mentor during the candidate's internship, or assign a cooperating teacher during the candidate's clinical teaching experience, or assign a site supervisor during the candidate's practicum. If an individual who meets the certification category and/or experience criteria for a cooperating teacher, mentor, or site supervisor is not available, the EPP and campus or district administrator shall assign an individual who most closely meets the criteria and document the reason for selecting an individual that does not meet the criteria. The EPP is responsible for providing mentor, cooperating teacher, and/or site supervisor training that relies on scientifically-based research, but the program may allow the training to be provided by a school, district, or regional education service center if properly documented.

(g) Ongoing educator preparation program support for initial certification of teachers. Supervision of each candidate shall be conducted with the structured guidance and regular ongoing support of an experienced educator who has been trained as a field supervisor. Supervision provided on or after September 1, 2017, must be provided by a field supervisor who has completed TEA-approved observation training. The initial contact, which may be made by telephone, email, or other electronic communication, with the assigned candidate must occur within the first three weeks of assignment. For each formal observation, the field supervisor shall participate in an individualized pre-observation conference with the candidate, document educational practices observed, provide written feedback through an individualized, synchronous, and interactive post-observation conference with the candidate, and provide a copy of the written feedback to the candidate's cooperating teacher or mentor. Neither the pre-observation conference nor the post-observation conference need to be onsite. For candidates participating in an internship, the field supervisor shall provide a copy of the written feedback to the candidate's supervising campus administrator. Formal observations by the field supervisor conducted through collaboration with school or district personnel can be used to meet the requirements of this subsection. Informal observations and coaching shall be provided by the field supervisor as appropriate. In a clinical teaching experience, the field supervisor shall collaborate with the candidate and cooperating teacher throughout the clinical teaching experience. For an internship, the field supervisor shall collaborate with the candidate, mentor, and supervising campus administrator throughout the internship.

(5) If an internship under an intern certificate or an additional internship described in subsection (e)(2)(C)(v)(I) of this section involves certification in more than one certification category that cannot be taught concurrently during the same period of the school day, an EPP must provide a minimum of three observations in each assignment. For each assignment, the EPP must provide at least two formal observations during the first half of the internship and one formal observation during the second half of the internship.

(6) For a first-year internship under a probationary certificate or an additional internship described in subsection (e)(2)(C)(v)(II) of this section that involves certification in more than one certification category that cannot be taught concurrently during the same period of the school day, an EPP must provide a minimum of one formal observation in each of the assignments during the first half of the assignment and a minimum of one formal observation in each assignment during the second half of the assignment.

(7) For a 14-week full-day clinical teaching assignment, an EPP must provide a minimum of one formal observation during the first third of the assignment, a minimum of one formal observation during the second third of the assignment, and a minimum of one formal observation during the last third of the assignment. For an all-level clinical teaching assignment in more than one location, a minimum of two formal observations must be provided during the first half of the assignment and a minimum of one formal observation must be provided during the second half of the assignment.

(8) For a 28-week half-day clinical teaching assignment, an EPP must provide a minimum of two formal observations during the first half of the assignment and a minimum of two formal observations during the last half of the assignment.

(h) Ongoing educator preparation program support for certification in a certification class other than classroom teacher. Supervision of each candidate shall be conducted with the structured guidance and regular ongoing support of an experienced educator who has been trained as a field supervisor. Supervision provided on or after September 1, 2017, must be provided by a field supervisor who has completed TEA-approved observation training. The initial contact, which may be made by telephone, email, or other electronic communication, with the assigned candidate must occur within the first quarter of the assignment. For each formal observation, the field supervisor shall participate in an individualized pre-observation conference with the candidate; document educational practices observed; provide written feedback through an individualized, synchronous, and interactive post-observation conference with the candidate; and provide a copy of the written feedback to the candidate's site supervisor. Neither the pre-observation conference nor the post-observation conference need to be onsite. Formal observations conducted through collaboration with school or district personnel can be used to meet the requirements of this subsection. Informal observations and coaching shall be provided by the field supervisor as appropriate. The field supervisor shall collaborate with the candidate and site supervisor throughout the practicum experience.

(1) Formal observations must be at least 135 minutes in duration in total throughout the practicum and must be conducted by the field supervisor.
(2) At least one of the formal observations must be on the candidate's site in a face-to-face setting.

(3) If a formal observation is not conducted on the candidate's site in a face-to-face setting, the formal observation may be provided by use of electronic transmission or other video or technology-based method. A formal observation that is not conducted on the candidates' site in a face-to-face setting must include a pre- and post-conference.

(2) An EPP must provide the first observation within the first six weeks of all assignments.

(4) An EPP must provide a minimum of one formal observation within the first third of the practicum, one formal observation within the second third of the practicum, and one formal observation within the final third of the practicum.

(i) Exemptions.

(1) Under the TEC, §21.050(c), a candidate who receives a bachelor's degree required for a teaching certificate on the basis of higher education coursework completed while receiving an exemption from tuition and fees under the TEC, §54.363, is exempt from the requirements of this chapter relating to field-based experience, internship, or clinical teaching.

(2) Under the TEC, §21.0487(c)(2)(B), a candidate's employment by a school or district as a Junior Reserve Officer Training Corps instructor before the person was enrolled in an EPP or while the person is enrolled in an EPP is exempt from any clinical teaching, internship, or field-based experience program requirement.

§228.40. Assessment and Evaluation of Candidates for Certification and Program Improvement.

(a) To ensure that a candidate for educator certification is prepared to receive a standard certificate, the educator preparation program (EPP) shall establish benchmarks and structured assessments of the candidate's progress throughout the EPP.

(b) An EPP is responsible for ensuring that each candidate is adequately prepared to pass the appropriate content certification examination(s) required for certification, unless a candidate passes the appropriate content certification examination(s) as a requirement for admission to an EPP.

(c) Upon the written request of the candidate, an EPP may prepare a candidate and grant test approval for a classroom teacher certificate category other than the category for which the candidate was initially admitted to the EPP.

(d) An EPP shall determine the readiness of each candidate to take the appropriate certification examination of content, pedagogy, and professional responsibilities, including professional ethics and standards of conduct. An EPP shall not grant test approval for a certification examination until a candidate has met all of the requirements for admission to the EPP and has been contingently or formally admitted into the EPP.

(e) For the purposes of EPP improvement, an entity shall continuously evaluate the design and delivery of the EPP components based on performance data, scientifically-based research practices, and the results of internal and external feedback and assessments.

(f) An EPP shall retain documents that evidence a candidate's eligibility for admission to the program and evidence of completion of all program requirements for a period of five years after a candidate completes, withdraws from, or is discharged or released from the program.

§228.50. Professional Conduct.

During the period of preparation, the educator preparation program shall ensure that the individuals preparing candidates and the candidates themselves understand and adhere to Chapter 247 of this title (relating to Educators' Code of Ethics).
§228.60. Implementation Date.

(a) The provisions of this chapter that were in effect on the date an educator preparation program (EPP) candidate was admitted to an EPP shall determine the program requirements applicable to that candidate.

(b) All provisions in this chapter, except the total clock-hour training requirement, shall apply to §230.39 of this title (relating to Temporary Teacher Certificates).

§228.70. Complaints and Investigations Procedures.

(a) Purpose. Texas Education Agency (TEA) staff shall maintain a process through which a candidate or former candidate in an educator preparation program (EPP), an applicant for candidacy in an EPP, an employee or former employee of an EPP, a cooperating teacher, a mentor, a site supervisor, or an administrator in a public [school district, charter school,] or private school that serves as a site for clinical teaching, internship, or practicum experiences may submit, in accordance with subsection (c)(1) of this section, a complaint about an EPP for investigation and resolution.

(b) EPP responsibilities.

(1) The EPP shall adopt and send to TEA staff, for inclusion in the EPP's records, a complaint procedure that requires the EPP to timely attempt to resolve complaints at the EPP level before a complaint is filed with TEA staff.

(2) The EPP shall post on its website a link to the TEA complaints website and information regarding how to file a complaint under the EPP's complaint policy.

(3) The EPP shall post a notification at all of its physical site(s) used by employees and candidates, in a conspicuous location, information regarding filing a complaint with TEA staff in accordance with subsection (c)(1) of this section.

(4) Upon request of an individual, the EPP shall provide information in writing regarding filing a complaint under the EPP's complaint policy and the procedures to submit a complaint to TEA staff in accordance with subsection (c)(1) of this section.

(c) TEA responsibilities.

(1) Filing a complaint. TEA staff will develop a complaint form to standardize information received from an individual making a complaint against an EPP. The complaint form will be available on the TEA website. All complaints filed against an EPP must be in writing on the complaint form. The written complaint must clearly state the facts that are the subject of the complaint and must state the measures the complainant has taken to attempt resolution of the complaint with the EPP. Anonymous complaints may not be accepted or investigated.

(2) Processing the complaint.

(A) TEA staff will record all complaints in the TEA complaints tracking system. Each complaint, no matter the severity, shall be assigned a tracking number.

(B) The complaint will be forwarded to the division responsible for educator preparation for further action, including assessing the complaint, providing a severity status and prioritizing the complaint accordingly, and determining jurisdiction.

(C) If TEA staff determines that the complaint is not within the State Board for Educator Certification's (SBEC's) jurisdiction, TEA staff shall notify the complainant that the complaint will be closed without action for lack of jurisdiction. TEA staff and the SBEC do not have jurisdiction over complaints related to contractual arrangements with an EPP, commercial issues, obtaining a higher grade or credit for training, or seeking reinstatement to an EPP.

(D) If TEA staff determines the complainant knew or should have known about the events giving rise to a complaint more than two years before the earliest date the complainant filed a complaint with either TEA staff or the EPP, TEA staff will notify the complainant that the complaint will be closed without action.
(E) If a complainant has not exhausted all applicable complaint and appeal procedures that the EPP has established to address complaints, TEA staff may delay initiating an investigation until the EPP's complaint and appeal process is complete.

(3) Investigating the complaint.

(A) If TEA staff determines a complaint is within the SBEC's jurisdiction, TEA staff will notify the respondent EPP that a complaint has been made, provide a summary of the allegations in the complaint, and request that the EPP respond to the complaint.

(B) TEA staff may request further information from the individual and from the EPP.

(C) An EPP shall:

(i) cooperate fully with any SBEC investigation; and

(ii) respond within 21 business days of receipt to requests for information regarding the complaint(s) and other requests for information from the TEA, except where:

(I) TEA staff imposes a different response date; or

(II) the EPP is unable to meet the initial response date and requests and receives a different response date from TEA staff.

(D) If an EPP fails to comply with subparagraph (C) of this paragraph, the SBEC may amend the complaint to reflect the violation and may deem admitted the violation of SBEC rules and/or Texas Education Code (TEC), Chapter 21, alleged in the original complaint.

(4) Resolving the complaint.

(A) Upon completion of an investigation, TEA staff will notify both the individual and the EPP in writing of the findings of the investigation. If TEA staff finds that a violation occurred, the notice will specify the statute and/or rule that was alleged to have been violated.

(B) Each party will have ten business days to present additional evidence or to dispute the findings of the investigation.

(C) After reviewing any additional evidence, if TEA staff finds that no violation has occurred, the complaint will be closed and TEA staff will notify both parties in writing.

(D) After reviewing any additional evidence, if TEA staff finds that the EPP has violated SBEC rules and/or TEC, Chapter 21, the following provisions apply.

(i) TEA staff will notify the EPP in writing and specify for each violation the seriousness and extent of the violation, including whether the EPP has been found to have violated that statute and/or rule previously.

(ii) Within ten business days of TEA staff notifying the EPP in writing that a violation has occurred, the EPP and TEA staff will collaboratively develop and agree to a timely resolution of each violation. If the parties cannot agree on a resolution within ten business days, TEA staff will unilaterally propose a resolution within ten business days of TEA staff issuing the violation notice.

(iii) If the EPP complies with the agreed or proposed resolution, the investigation is closed and results recorded in accordance with subparagraph (E) of this paragraph.

(iv) If the EPP does not comply with the agreed or proposed resolution within the timelines set out in the resolution, TEA staff will make a recommendation that the SBEC impose sanctions affecting the EPP's accreditation status in accordance with §229.5 of this title (relating to Accreditation Sanctions and Procedures) and/or continuing approval status in accordance with §229.6 of this title (relating to Continuing Approval).
(v) The EPP shall be entitled to an informal review of the proposed recommendation for sanctions under the conditions and procedures set out in §229.7 of this title (regarding Informal Review of Texas Education Agency Recommendations).

(E) The final disposition of the complaint will be recorded in the TEA complaints tracking system.
