The SBEC may amend the ethics code in the same manner as any other formal rule.
- (b) The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

The Educators' Code of Ethics is enforced through the disciplinary procedure set forth in Chapter 249 of this title (relating to Disciplinary Proceedings, Sanctions, and Contested Cases) pursuant to the purposes stated therein.
- (d) As provided in §249.5 of this title (relating to Purpose; Policy Governing Disciplinary Proceedings), the primary goals the SBEC seeks to achieve in educator disciplinary matters are:
 - (1) to protect the safety and welfare of Texas schoolchildren and school personnel;
 - (2) to ensure educators and applicants are morally fit and worthy to instruct or to supervise the youth of the state; and
 - (3) to fairly and efficiently resolve educator disciplinary proceedings at the least expense possible to the parties and the state.
