Subchapter C. Assessment of Educators

§230.21. Educator Assessment.

- (a) A candidate seeking certification as an educator must pass the examination(s) required by the Texas Education Code (TEC), §21.048, and the State Board for Educator Certification (SBEC) in §233.1(e) of this title (relating to General Authority) and shall not retake an examination more than four times, unless the limitation is waived for good cause. The burden of proof shall be upon the candidate to demonstrate good cause.
 - (1) For the purposes of the retake limitation described by the TEC, §21.048, an examination retake is defined as a second or subsequent attempt to pass any examination required for the issuance of a certificate, including an individual core subject examination that is part of the overall examination required for the issuance of a Core Subjects certificate as described in §233.2 of this title (relating to Early Childhood; Core Subjects).
 - (A) A canceled examination score is not considered an examination retake.
 - (B) An examination taken by an educator during a pilot period is not considered part of an educator's five-time test attempt limit.
 - (C) Pursuant to TEC, §21.0491(d), the limit on number of test attempts does not apply to the trade and industrial workforce training certificate examination prescribed by the SBEC.

- (D) A candidate who fails a computer- or paper-based examination cannot retake the examination before 45 days have elapsed following the candidate's last attempt to pass the examination.
- (2) Good cause is:
- (A) the candidate's highest score on an examination is within one conditional standard error of measurement (CSEM) of passing, and the candidate has completed 50 clock-hours of educational activities. CSEMs will be published annually on the Texas Education Agency (TEA) website;
 - (B) the candidate's highest score on an examination is within two CSEMs of passing, and the candidate has completed 100 clock-hours of educational activities;
 - (C) the candidate's highest score on an examination is within three CSEMs of passing, and the candidate has completed 150 clock-hours of educational activities;
 - (D) the candidate's highest score on an examination is not within three CSEMs of passing, and the candidate has completed 200 clock-hours of educational activities;
 - (E) if the candidate needs a waiver for more than one of the individual core subject examinations that are part of the overall examination required for the issuance of a Core Subjects certificate, the candidate has completed the number of clock-hours of educational activities required for each individual core subject examination as described in subparagraphs (A)-(D) of this paragraph up to a maximum of 300 clock-hours. The number of clock-hours for each examination may be divided equally based on the number of examinations in the waiver request, but the number of clock-hours for an examination shall not be less than 50; or
 - (F) if a CSEM is not appropriate for an examination, the TEA staff will identify individuals who are familiar and knowledgeable with the examination content to review the candidate's performance on the five most recent examinations, identify the deficit competency or competencies, and determine the number of clock-hours of educational activities required.
- (3) Educational activities are defined as:
- (A) institutes, workshops, seminars, conferences, interactive distance learning, video conferencing, online activities, undergraduate courses, graduate courses, training programs, in-service, or staff development given by an approved continuing professional education provider or sponsor, pursuant to §232.17 of this title (relating to Pre-Approved Professional Education Provider or Sponsor) and §232.19 of this title (relating to Approval of Private Companies, Private Entities, and Individuals), or an approved educator preparation program (EPP), pursuant to §228.10 of this title (relating to Approval Process); and
 - (B) being directly related to the knowledge and skills included in the certification examination competency or competencies in which the candidate answered less than 70 percent of competency questions correctly. The formula for identifying a deficit competency is the combined total of correct answers for each competency on the five most recent examinations divided by the combined total of questions for each competency on the five most recent examinations.
- (4) Documentation of educational activities that a candidate must submit includes:
- (A) the provider, sponsor, or program's name, address, telephone number, and email address. The TEA staff may contact the provider, sponsor, or program to verify an educational activity;
 - (B) the name of the educational activity (e.g., course title, course number);
 - (C) the competency or competencies addressed by the educational activity as determined by the formula described in paragraph (3)(B) of this subsection;

- (D) the provider, sponsor, or program's description of the educational activity (e.g., syllabus, course outline, program of study); and
- (E) the provider, sponsor, or program's written verification of the candidate's completion of the educational activity (e.g., transcript, certificate of completion). The written verification must include:
 - (i) the provider, sponsor, or program's name;
 - (ii) the candidate's name;
 - (iii) the name of the educational activity;
 - (iv) the date(s) of the educational activity; and
 - (v) the number of clock-hours completed for the educational activity. Clock-hours completed before the most recent examination attempt or after a request for a waiver is submitted shall not be included. One semester credit hour earned at an accredited institution of higher education is equivalent to 15 clock-hours.
- (5) To request a waiver of the limitation, a candidate must meet the following conditions:
 - (A) the candidate is otherwise eligible to take an examination. A candidate seeking a certificate based on completion of an EPP must have the approval of an EPP to request a waiver;
 - (B) beginning September 1, 2016, the candidate pays the non-refundable waiver request fee of \$160;
 - (C) the candidate requests the waiver of the limitation in writing on forms developed by the TEA staff; and
 - (D) the request for the waiver is postmarked not earlier than:
 - (i) 45 calendar days after an unsuccessful attempt at the fourth retake of an examination as defined in the TEC, §21.048; or
 - (ii) 90 calendar days after the date of the most recent denied waiver of the limitation request; or
 - (iii) 180 calendar days after the date of the most recent unsuccessful examination attempt that was the result of the most recently approved request for waiver of the limitation.
- (6) The TEA staff shall administratively approve each application that meets the criteria specified in paragraphs (2)-(5) of this subsection.
- (7) An applicant who does not meet the criteria in paragraphs (2)-(5) of this subsection may appeal to the SBEC for a final determination of good cause. A determination by the SBEC is final and may not be appealed.
- (b) A candidate seeking a standard certificate as an educator based on completion of an approved EPP may take the appropriate certification examination(s) required by subsection (a) of this section only at such time as the EPP determines the candidate's readiness to take the examinations, or upon successful completion of the EPP, whichever comes first.
- (c) The holder of a lifetime Texas certificate effective before February 1, 1986, must pass examinations prescribed by the SBEC to be eligible for continued certification, unless the individual has passed the Texas Examination of Current Administrators and Teachers (TECAT).
- (d) The commissioner of education approves the satisfactory level of performance required for certification examinations, and the SBEC approves a schedule of examination fees and a plan for administering the examinations.

- (e) The appropriate examination(s) required for certification are specified in the figure provided in this subsection.

Figure: 19 TAC §230.21(e)

- (b) A request for such an exemption shall include:
 - (1) a report by a licensed audiologist documenting that the candidate has a hearing impairment so severe that the person cannot process written linguistic information. The report may not be dated more than one year from the date of the request for the exemption and should address the relationship between the candidate's age at the onset or diagnosis of hearing loss and the candidate's ability to process written linguistic information; and
 - (2) a recommendation for exemption and certification of the candidate by an approved Texas educator preparation program (EPP). The recommendation shall be based on the EPP's determination of the candidate's qualification for the exemption and competency in each certification class and category in which certification is sought. The EPP shall make and document its determination of educator standards competency, as follows:

§230.111. General Provisions.

- (a) A Texas educator certificate may be issued to an individual who holds a college degree and an acceptable certificate or credential issued by the authorized licensing agency in another state or territory of the United States and who meets appropriate requirements specified in §230.11 of this title (relating to General Requirements) and elsewhere in this subchapter.
- (b) The degree held by an applicant from another state or territory of the United States must be equivalent to at least a bachelor's degree or higher issued by an accredited institution of higher education.

- (c) The certificate or other credential issued by the authorized licensing agency in another state or territory of the United States may not be a temporary permit, a credential issued by a city or school district, or a certificate for which academic or other program deficiencies are indicated. Specific examination or renewal requirements shall not be considered academic deficiencies.
- (d) A statement, approval letter, or certification entitlement card issued by the authorized licensing agency in another state or territory of the United States specifying eligibility for full certification upon employment or completion of specified examination requirements shall have the same standing as a certificate.
- (e) The certificate and areas of certification issued by the authorized licensing agency in another state or territory of the United States must be equivalent to a certificate or grade level that is within the early childhood-Grade 12 level and approved by the State Board for Educator Certification (SBEC). Based on the certificates submitted with the application for review of credentials, the Texas Education Agency (TEA) staff shall identify the certification areas for which the applicant qualifies in Texas. The certificate(s) for which the applicant qualifies may be issued by the TEA staff under the authority of the SBEC.
- (f) If a Texas examination or certification is scheduled to be eliminated, an individual requesting certification and examination comparability must ensure that the application and all review documentation, including examination scores, are received by TEA staff 60 calendar days before the application submission deadline for the examination and/or certification sought.

§230.113. Requirements for Texas Certificates Based on Certification from Other States or Territories of the United States.

- (a) An applicant for a standard Texas certificate based on a certificate issued in accordance with §230.111 of this title (relating to General Provisions) must:
 - (1) pass the appropriate examination requirements prescribed in the Texas Education Code (TEC), §21.048(a), and §230.21 of this title (relating to Educator Assessment);
 - (2) achieve an acceptable level of performance on an examination(s) that has been determined to be similar to and at least as rigorous as that prescribed in the TEC, §21.048(a), and §230.21 of this title that was administered to the applicant under the authority of another state or territory of the United States. The applicant shall verify in a manner determined by the Texas Education Agency staff the level of performance on acceptable examinations administered under the authority of another state or territory of the United States; or
 - (3) qualify for an exemption from required Texas examinations through provisions in §152.1001 of this title (relating to Exceptions to Examination Requirements for Individuals Certified Outside the State).
- (b) If all certification requirements are met except the appropriate examination requirements, the applicant may request issuance of a one-year certificate in one or more certification areas authorized on the out-of-state certificate. An applicant who holds only a student services, principal, or superintendent certificate issued in accordance with Chapter 239 of this title (relating to Student Services Certificates), with the exception of Subchapter E (relating to Master Teacher Certificate); Chapter 241 of this title (relating to Principal Certificate); or Chapter 242 of this title (relating to Superintendent Certificate) may be issued the equivalent Texas certificate. The applicant must verify two creditable years of service in an Early Childhood-Grade 12 public or accredited private school in the specific student services or administrative area sought.
- (c) After satisfying all requirements, including all appropriate examination requirements, the applicant is eligible to receive the appropriate standard certificate issued under Subchapter D of this chapter (relating to Types and Classes of Certificates Issued).

- (d) An applicant issued a one-year certificate under this section who does not complete the appropriate examination requirements to establish eligibility for a standard certificate during the validity of the one-year certificate, is not eligible for any type of certificate or permit authorizing employment for the same certificate until he or she has satisfied the appropriate examination requirements. If examination requirements are not met during the validity period of the one-year certificate due to circumstances beyond the control of the educator, the employing school district may request an extension not to exceed one calendar year in length.
- (e) An applicant shall not be required to complete the content specialization portion of the certification examination in a certification area for which he or she does not seek standard certification unless the examination is required to establish a base classroom teaching certificate. A supplemental certificate, as described in Chapter 233 of this title (relating to Categories of Classroom Teaching Certificates), may not be issued as a standard certificate unless the educator has established a classroom teaching certificate.
- (f) An applicant issued a one-year certificate under this section who, during or subsequent to the validity of the certificate, establishes eligibility for a standard certificate may apply for:
 - (1) a new one-year certificate in another certification area based on an acceptable certificate from another state or territory of the United States; or

The appropriate Texas certificate will be issued upon recommendation by the EPP.
