

Lone Star Governance 2024–25 Exemplar Cohort

Letter of Interest

May 2024

Why? **From Good to Great**

The Lone Star Governance (LSG) Exemplar Cohort is an intensive program designed for governing teams—school boards with their superintendents—that are dedicated to continually sharpening and cultivating their focus on one primary objective: *improving student outcomes*. It is a unique opportunity for governing teams that are committed to pushing themselves to do even more for their students.

What? **Resources and Support**

The LSG Exemplar Cohort is a yearlong program (with a possible extension) that includes the following at no cost to the LEA*:

- Attendance at an LSG workshop with fellow cohort members
- A dedicated LSG Coach
- Monthly implementation support tailored for the board, board chair, superintendent, and staff
- Quarterly board self-evaluation support
- Statutorily required board member trainings in teambuilding, needs (based on the framework for governance leadership), and evaluating and improving student outcomes
- Early access to Lone Star Governance-related training
- Collaboration with, learning from, and learning with other high-performing governing teams

Who? **Leaders Willing to Focus**

Any district or charter governing team is welcome to apply. The cohort will be limited to 12 governing teams. Cohort members will be selected based on their ability to research and/or implement evidence-based best practices in board behaviors directly correlated with improvements in student outcomes, as well as a demonstrated commitment to increasing board focus on improving student outcomes. Selected governing teams may have opportunities to mentor neighboring school systems on the philosophy and practices of effective governance.

How? **Next Steps**

The selection process:

Step 1: Interested districts must complete and submit this letter of interest (LOI).

Step 2: District must respond to any follow-up questions from TEA about responses on the LOI.

Step 3: Board president and superintendent of select districts may be asked to participate in an interview.

The board and superintendent should review the questions on the Letter of Interest together and reach a consensus on their responses.

**Completed LOIs must be submitted to lsg@tea.texas.gov
no later than 6:00 p.m. CDT on Friday, September 20, 2024.**

For further information, contact Lone Star Governance staff at lsg@tea.texas.gov.

**Program Expenses: Each LEA remits payment to its LSG coach for services rendered then submits documentation of payment to TEA for reimbursement. More information about the reimbursement process will be provided to members of the 2024–25 cohort.*
