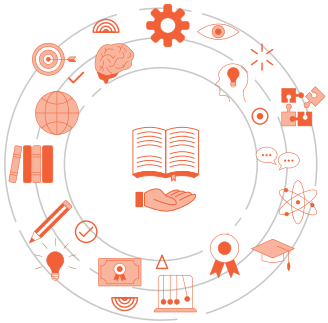
READING AND MATH ACADEMIES IN TEXAS

Texas Reading Academies

HB 3 TEXAS LEGISLATURE 86th Legislative Session

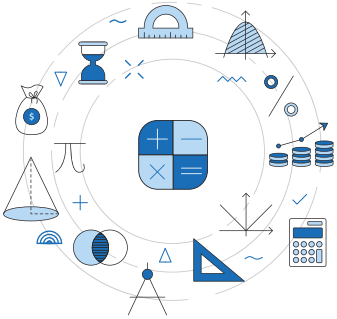
House Bill 3 (86R), requires all kindergarten through third grade teachers and principals to be trained through Reading Academies. These academies provide TEKS-aligned, research-based professional learning to strengthen early literacy instruction statewide.



Texas Mathematics Academies

HB 2 TEXAS LEGISLATURE 89th Legislative Session

House Bill 2 (89R), requires all kindergarten through third grade math teachers and principals to be trained through Texas Mathematics Academies. The academies deliver TEKS-aligned, research-based professional learning to support effective mathematics instruction in the early grades.



SUPPORTING OUR TEACHERS AT SCALE

Texas is investing in early reading and math. By 2031, all K-3 teachers and principals must be trained through the Texas Reading and Texas Math Academies. Aspiring teachers will participate in the academies as part of their preparation program.
