The Military Child Education Coalition (MCEC), in collaboration with the Texas Education Agency (TEA) is excited to invite you to a series of professional development trainings for the 2025-26 school year. These trainings are thoughtfully designed to equip professionals with valuable insights, practical tools, and best practices to effectively support military-connected students.

We are proud to present our first training, *Supporting Military Children Through School Transitions: Foundations*. This course offers school professionals and educators a meaningful opportunity to deepen their understanding of military-connected students by exploring the unique challenges of a mobile lifestyle and the impact of military service on education.

This is a wonderful way to begin the new school year, and we hope you can join us. Welcome back!

What to Expect:

Discover effective practices and programs designed to support students during school transitions and explore the critical role of supportive schools in promoting student success.

This virtual session is conducted live and includes PDF resources, and guided discussion.

MCEC is approved ACEP, by the National Board of Certified Counselors (NBCC), to offer Continuing Education (1 clock hour = 1 CE).
