

Consider the questions below to support your LEA in determining who to invite to participate in the development and implementation of a Transition to Kindergarten Plan.

Local Education Agency:

School Year:

District and/or Campus Staff to include:

Who within the LEA will contribute to developing events and activities to welcome and engage enrolling families? Consider: administrators, Prekindergarten teachers, Kindergarten teachers, parent outreach liaison, staff from other campus programs (Head Start, afterschool care, etc.)

Staff from community programs:

What entities are in your LEA's community who could provide input on the perspectives and experiences of enrolling families? Consider: private childcare, Head Start, children's librarian at the Public Library, YMCA childcare

Parents and family members:

Are there any former, current, or future Kindergarten families who can contribute and participate? In what way will they support? (Providing family perspectives, offering peer support to incoming families, etc.)
