

Instructional Materials Certification Resource List

Q 5.0 ERLA K-5 IM Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **English RLA grades K–2** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.

Q32.0 SCI 9-12 IM Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **science grades 9–12** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation. Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.
