

## Instructional Materials Certification Resource List

### Question 5.0: English Reading Language Arts (RLA) K–5 Instructional Materials

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **English RLA grades and/or Phonics K–5** instruction to ensure coverage of 100% of the TEKS.

If publisher/product varies by grade level or classroom, select all products used.

*Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.*

*Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.*

### Question 7.0: Spanish Reading Language Arts K-5 Instructional Materials

Select **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will regularly use (once a week or more, on average) for **Spanish RLA and/or phonics K-5** instruction to ensure coverage of 100% of the TEKS (do not include products used to build classroom libraries).

If publisher/ product varies by grade level or classroom, select all products used.

*Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.*

*Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.*

### Question 9.0: English Reading Language Arts (RLA) 6–8 Instructional Materials

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **English RLA grades 6–8** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

*Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.*

*Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.*

### Question 16.0: Mathematics 6–8 Instructional Materials

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **mathematics grades 6–8** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

*Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.*

*Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.*

### Question 30.0: Science 6–8 Instructional Materials

Select the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your LEA will use regularly (once a week or more, on average) for **science grades 6–8** instruction to ensure coverage of 100% of the TEKS.

If publisher/ product varies by grade level or classroom, select all products used.

*Full-subject instructional materials (often referred to as Tier 1 or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.*

*Supplemental Materials (may be used in Tier 1, Tier 2, or Tier 3 settings): instructional materials designed to assist in the instruction of one or more essential knowledge and skill.*
