The University of Texas at Austin UT High School

ONLINE BLENDED LEARNING PROFESSIONAL DEVELOPMENT

Course fees eligible for a TEA reimbursement (86th Texas legislative session)

UT High School offers online professional development courses for educators to learn how to design and facilitate blended learning instruction in K-12 classrooms. The online courses utilize a self-paced format, eliminating the need for teachers to miss invaluable class time.

Blended Learning Courses (6 Hrs Each)

BLC 010 Teacher Blended Learning Basics –Beginner

Start with the basics. Learn a variety of models and strategies for implementing blended learning as an instructional strategy in your K-12 classroom.

BLC A010 Administrator Blended Learning Basics –Beginner

Start with the basics. Learn a variety of models and strategies for implementing blended learning as an instructional strategy in the classroom, and learn strategies for providing teacher feedback.

BLC 020 Teacher Blended Learning Curriculum and Instruction Design and Delivery –Intermediate

Explore a variety of resources, platforms, and instructional strategies to design and deliver blended learning unit plans that maximize student engagement and plan for evaluating student learning outcomes over time.

BLC A020 Administrator Blended Learning Curriculum and Instruction Design and Delivery –Intermediate

Explore a variety of resources, platforms, and instructional strategies to plan for evaluating the design and delivery of blended learning units that maximize student engagement and design student learning outcomes over time while providing effective teacher support and feedback.

BLC 021 Teacher Blended Learning Flex Model Design and Delivery –Intermediate

Explore resources and strategies to provide online learning support and instruction in a flex model environment to design a classroom learning plan focused on individualized student learning.

BLC A021 Administrator Blended Learning Flex Model Design and Delivery –Intermediate

Explore resources and strategies to provide support to your teachers implementing instruction in a flex model environment focused on individualized student learning.

BLC 030 Teacher Blended Learning or BLC A030 Administrator Coaching and Support – Advanced

Engage with a blended learning specialist for coaching and support tailored to your individual needs in one or more areas: (1) instructional design; (2) instructional delivery; (3) evaluation measures and learning outcomes; (4) scaling to your department, grade level, campus, and district.

Online Course Benefits

- Enroll and access online courses with your schedule
- Take individually or with a cohort of teachers
- Extensive online learning resources and strategies
- Interact with a blended learning specialist
- Design tailored blended learning lessons
