The Texas Education Agency (TEA) is pleased to announce a free, specialized professional development opportunity for school professionals and educators working towards the Purple Star Campus Designation (PSCD). TEA, in collaboration with the Military Child Education Coalition® (MCEC®), is proud to offer a 5-part Professional Learning Community series, that includes professional development and Purple Star office hours to strengthen support for campuses who are implementing or working towards PSCD. The PLC will take place throughout the 25-26 school year, September 2025 through February 2026.

Professional Learning Community (PLC) is a great way for educators to collaborate with and tap into a network of peers and partners to support military-connected students. This PLC is designed for school professionals and educators at campuses across Texas that have earned or are working towards the PSCD.

Each PLC is unique, so plan to attend all five! During each session, you will be presented with a 15- to 20-minute lesson on best practices, followed by a real case or situation for discussion. Through a structured process, you will learn from one another and subject matter experts, bringing tangible knowledge back to your campus and Purple Star Campus Program.

Purple Star Office Hours are held immediately following each PLC and serve as a dedicated time for school professionals to receive personalized support from MCEC's Military Student Consultants (MSCs). These highly specialized education professionals bring extensive experience and deep knowledge of the Purple Star process, and are available to answer questions, provide targeted feedback, and offer expert guidance on all aspects of the Purple Star Campus program. Whether you're seeking clarity on program implementation or looking for strategies to better support military-connected students and families, MSCs are here to help ensure your campus efforts are impactful and aligned with best practices.
