Subject: Notification of Correction of Noncompliance

Dear Mr. Fawzy Shemshack:

The purpose of this correspondence is to notify the School of Science and Technology of the correction of noncompliance identified in the State Performance Plan (SPP).

School of Science and Technology received notification of noncompliance in a letter dated 10/10/2022 listing the following area(s) of noncompliance:

- SPP 11-Timely Evaluation
TEC §29.004; 34 CFR §300.301(d); 34 CFR §300.300(b)(3)

A plan for correction of the noncompliance was included in your corrective action plan. Subsequently, the local education agency (LEA) was required to submit documentation to the Texas Education Agency (TEA) verifying correction for the issue of noncompliance noted above. The documentation submitted by the LEA indicated that this area of noncompliance has been addressed and the noncompliance has been corrected. Therefore, no further action on this issue is required at this time.
