Accessing the Support Plan

To access the Strategic Support Plan (SSP), click on *Support Plans* on the left navigation menu and ensure that the correct school year is selected.

The screenshot shows the Ascend Dashboard interface. On the left is a navigation menu with items: Ascend Home, Dashboard, Communication Log, Self-Assessment, Desk Review (All Views), On-Site Review, Intensive Support, and Support Plans. The 'Support Plans' item is highlighted with a red arrow. At the top right, a dropdown menu shows '2024 to 2025' selected. The main dashboard area contains several widgets: 'DETERMINATION LEVEL SCORES' (no scores for this LEA), 'STATE PERFORMANCE PLAN COMPLIANCE' (with a legend: COMP = Compliant, NC = Noncompliance, CNC = Cont. Noncompliance), 'MESSAGES' (no messages at this time), and 'RESOURCE REQUIREMENTS' (2020 Federally Required Elements (FRE) Matrix). The 'Support Plans' menu item is highlighted with a red arrow.

From the *Support Plans* page, select the LEA from the hyperlinked LEA name.

The screenshot shows a table with columns: LEA, Facility, CDN, Year, CAP Plans, SSP Plans, Other Plans, Start Date, and End Date. The first row is highlighted with a red box and contains the text: [No LEA assigned \(NP/RF ONLY\)](#), 000000, 2023-2024, 0, 1, 0, 11/14/2023, 11/14/2024. Above the table are search and filter options.

LEA	Facility	CDN	Year	CAP Plans	SSP Plans	Other Plans	Start Date	End Date
No LEA assigned (NP/RF ONLY)		000000	2023-2024	0	1	0	11/14/2023	11/14/2024

The following screen will display the *LEA Support Plan* page where all SSPs that have been initiated, along with the date of initiation, are located.

Completing the SSP

Clicking on the *Strategic Support Plan - mm/dd/yyyy* hyperlink at the top of the [LEA] *Support Plans* page will allow LEAs to complete the steps of the SSP process and submit the Strategic Support Plan (SSP) documents.

[Show Select Only](#)

Special Education - Domain I - Academic Achievement

1. SPED STAAR 3-8 Passing Rate: Mathematics

1. SPED STAAR 3-8 Passing Rate: Science

1. SPED STAAR 3-8 Passing Rate: Social Studies

1. SPED STAAR 3-8 Passing Rate: Reading

1. SPED STAAR 3-8 Passing Rate: Writing

2. SPED Dyslexia Passing Rate (Report Only) Reading

3. SPED Year After Exit (YAE) STAAR Passing Rate: Mathematics

3. SPED Year After Exit (YAE) STAAR Passing Rate: Reading

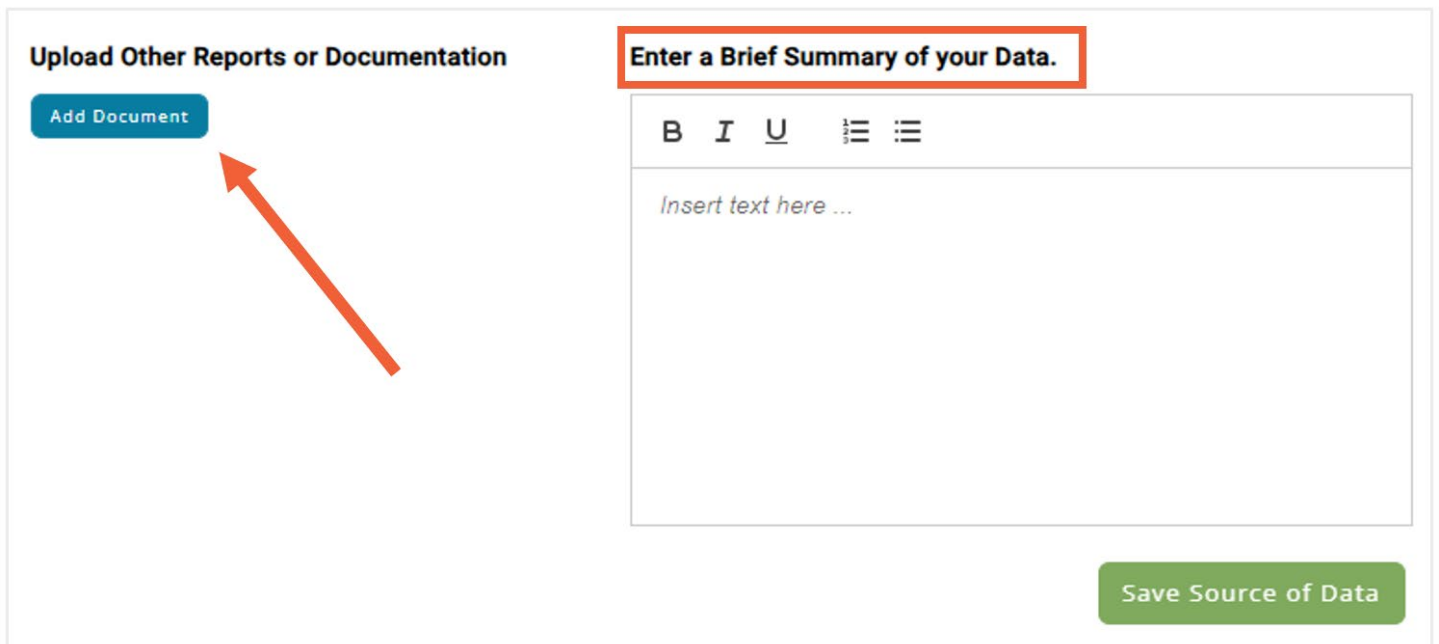

3. SPED Year After Exit (YAE) STAAR Passing Rate: Science

3. SPED Year After Exit (YAE) STAAR Passing Rate: Social Studies

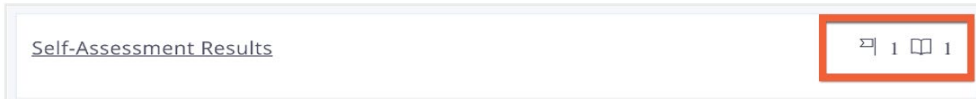

3. SPED Year After Exit (YAE) STAAR Passing Rate: Writing

4. SPED STAAR EOC Passing Rate Algebra I

Once all areas of potential need have been identified, LEAs can Upload Other Reports or Documentation by clicking on the **Add Document** button. Additionally, a brief summary of the data must be entered using the text box at the bottom of the page.

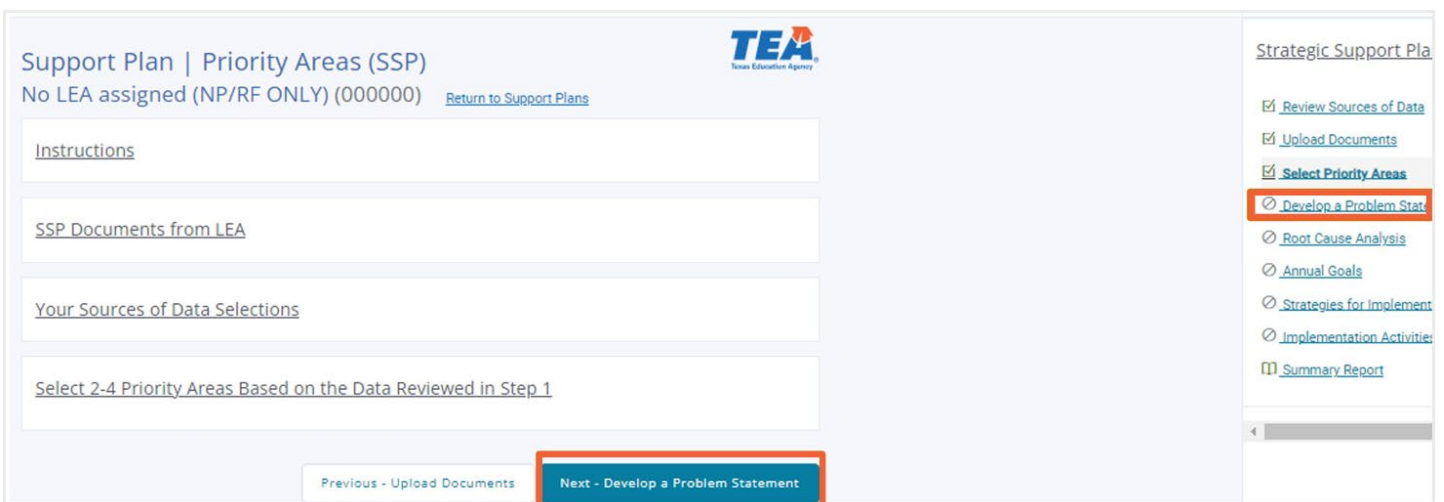

Click the **Save Sources of Data** button at the bottom of each section to save all entered information. A red flag with a number will appear in the header alerting to how many domains were chosen in that section. A book icon with a number noting how many documents were uploaded into that section will appear when documents are uploaded.

Once all information has been saved, click on the section heading to close the section.

Navigate to the other sections of the SSP by clicking on the **Next** button at the bottom of the page or by clicking on the specific topic on the right navigation menu.

Note: Once the SSP has been submitted, LEAs will utilize the *Upload Documents* section to submit evidence for the implementation activities. See the *Upload Documents* section for instructions on uploading evidence for the completion of implementation activities.

Develop a Problem Statement

Priority areas previously selected will automatically appear as headers on the *Problem Statements* page of Ascend.

Why #1

Why #2

Why #3

Why #4

Why #5

Problem Statement

Students with disabilities who are Emergent Bilingual in grades 3-5 are not performing at the same level as their peers at the state level. This has occurred for the past three years.

Why #1

B I U ☰ ☰
Students are not engaged in learning

Why #2

The response to Why #1:

Students are not engaged in learning

B I U ☰ ☰
Students have a hard time following the curriculum

Each of the five whys has its own textbox to enter information; text entered can be formatted using the toolbar.

The 5 why's will build upon each other. Beneath the Why sections, there is a textbox to enter a brief statement about the Root Cause Analysis for the priority area. Guiding Questions are provided above the text box to aid in creating the brief statement. Based on the LEA leadership team's root cause(s) discussion, the LEA should write a brief statement that describes the root cause(s) the LEA has selected to address through strategic action.

Guiding Questions

- Which cause(s) impact multiple priority areas?
- Which cause(s) does the LEA have the ability to address?
- Which causes will have the greatest impact on the problem statement?

Brief Statement:

B *I* U ☰ ☰

The causes that impact multiple priority areas are professional development on evidence-based strategies, knowledge and use of instructional techniques, and the ability to follow the curriculum. We will be able to address all of the causes through the implementation activities. The cause that has the greatest impact is having teachers with the knowledge and skills they need to educate Emergent Bilingual students in their classrooms.

[Back To Root Cause Analysis](#)

Submit

Once all information has been entered, click the **Submit** button at the bottom of the page to save the information. Selecting **Back** will navigate to the *Root Cause Analysis overview* page and allow the LEA to enter information for the other priority areas.

Navigate to other sections of the SSP by clicking on the **Previous** or **Next** buttons at the bottom of the page or by clicking on the specific topic on the right navigation menu.

Annual Goals

Priority areas previously selected will automatically appear as headers on the *Annual Goals* page of Ascend.

Support Plan | Annual Goals (SSP)

No LEA assigned (NP/RF ONLY) (000000) [Return to Support Plans](#)

Instructions

Special Education - Domain I - Academic Achievement : 1. SPED STAAR 3-8 Passing Rate: Mathematics

Selecting a priority area will open a text box for the LEA to enter an annual goal for the area selected. Instructions in the text box state the goal needs to be specific, measurable, and achievable.

Once the goal has been recorded, save it by clicking on the **Save Annual Goal** button.

Navigate to other sections of the SSP by clicking on the **Previous** or **Next** buttons at the bottom of the page or by clicking on the specific topic on the right navigation menu.

Enter Your Annual Goal

Based on your root cause analysis and your source(s) of data available below, create an annual goal for this priority area.

B I U ☰ ☰

The percentage of students with disabilities who are Emergent Bilingual in grades 3-5 who score at the "passing" level on STAAR assessments will increase from 12.74% in 2022-2023 to 14.65% in 2023-2024.

Save Annual Goal

Strategies for Implementation

Priority areas previously selected will automatically appear as headers on the *Strategies for Implementation* page of Ascend.

Support Plan | Strategies for Implementation (SSP)

No LEA assigned (NP/RF ONLY) (000000) [Return to Support Plans](#)

Instructions

Special Education - Domain I - Academic Achievement : 1. SPED STAAR 3-8 Passing Rate: Mathematics

Selecting a priority area will open a text box to enter the strategies for implementation. Text can be formatted using the toolbar at the top of the box. Once strategies are recorded, click on the **Save Strategies** button at the bottom of the section.

For each annual goal, the LEA should create at least one strategy for implementation designed to support the LEA in achieving the annual goal.

Each strategy for implementation should be classified by the following strategic support categories.

Policies, Procedures, and Practices

- ▶ This should include writing, revising and the developing internal monitoring and review procedures

Training and Professional Development

- ▶ To be provided for staff members and/or pertinent stakeholders

Technical Assistance

- ▶ To be provided for staff members and/or pertinent stakeholders

Other—Continuous Improvement

- ▶ The strategy for implementation is aligned with or addressed through other continuous improvement efforts such as the Effective Schools Framework (ESF) or District Improvement Plan (DIP)

Outline your Strategies for Implementation

B I U ☰ ☰

Enter strategies here.

→ Save Strategies

Strategies for all priority areas will need to be entered and saved individually.

Navigate to other sections of the SSP by clicking on the **Previous** or **Next** buttons at the bottom of the page or by clicking on the specific topic on the right navigation menu.

Implementation Activities

Priority areas previously selected will automatically appear as headers on the *Implementation Activities* page of Ascend along with the number of activities completed. Initially, each priority will show 0 of 0 Activities Completed.

Please enter a title for this activity.

Strategic Support Category

Activity Description

B I U  

Enter your activity description.

Timeline for Completion

 Pick your date

Each strategy for implementation should be supported by detailed implementation activities.

- ▶ Activity Title –a text box where the name of the implementation activity will be entered.
- ▶ Strategic Support Category –a drop-down list allowing LEA to select one of the following: *Policies, Procedures, and Practices; Training and Professional Development; and Self-Monitoring Activities.*
- ▶ Activity Description – a text box where the description of the activity can be entered and formatted. This step supports the LEA in providing detailed information about how each strategy for implementation will be enacted.
- ▶ Timeline for Completion – text field (mm/dd/yyyy) or calendar icon to choose the activity completion date.

Once all implementation activity information has been entered, save by clicking on the **Save Activity** button at the bottom of the section.

Strategy for Implementation 1: Professional Development

☰ Status: Open

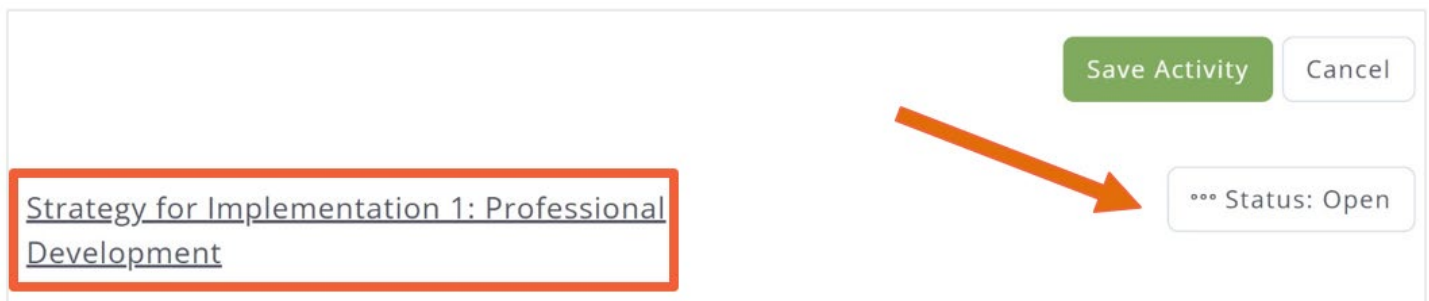

Timeline for Completion: Nov 16, 2024

Strategic Support Category Training and Professional Development

Description:

- Provide training to all special educators on effective interventions for students who are Emergent Bilingual
- Administer and analyze benchmark data three times a year.
- Provide training on how to administer and analyze benchmark and running records assessments
- Administer and analyze progress monitoring data as needed.
- Have teachers conduct guided reading groups four times a week.
- Provide targeted, small group instruction to Emergent Bilingual students with disabilities based on their reading related IEP goals.
- Provide 30 minutes of English language instruction each day to students who are Emergent Bilingual.

After saving an implementation activity, a new hyperlink will appear at the bottom of the section along with a **Status** button.

Selecting the **Status** button will open a menu allowing the activity's status to be updated. Options include *Continuing*, *Discontinued*, and *Closed*.

The hyperlink will open a new section with options to *Edit Activity*, *Delete Activity*, and *Add Personnel*.

Mathematics

0 OF 1 ACTIVITY COMPLETED

Problem Statement

Students with disabilities who are Emergent Bilingual in grades 3-5 are not performing at the same level as their peers at the state level. This has occurred for the past three years.

Summary of potential root causes

- **Why #1**
Students are not engaged in learning
- **Why #2**
Students have a hard time following
the curriculum
- **Why #3**
Teachers are not using instructional techniques that support Emergent Bilingual students
- **Why #4**
Teachers are unfamiliar with evidence-based strategies to support Emergent
Bilingual students
- **Why #5**
Teachers need professional development on evidence-based strategies to support Emergent Bilingual students

Root Cause Statement

The causes that impact multiple priority areas are professional development on evidence-based strategies, knowledge and use of instructional techniques, and the ability to follow the curriculum. We will be able to address all of the causes through the implementation activities. The cause that has the greatest impact is having teachers with the knowledge and skills they need to educate Emergent Bilingual students in their classrooms.

Annual Goal

The percentage of students with disabilities who are Emergent Bilingual in grades 3-5 who score at the "passing" level on STAAR assessments will increase from 12.74% in 2022-2023 to 14.65% in 2023-2024.
