SPPI 14C Calculation

of youth who are no longer in secondary school, had IEPs in effect at the time they left school and were enrolled in **higher education** or in **some other postsecondary education or training program**; or **competitively employed** or in **some other employment**
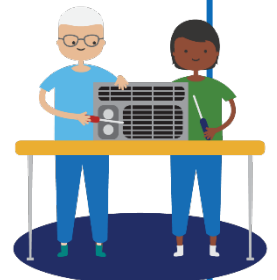

Divided by

# of respondent youth who are no longer in secondary school and had IEPs in effect at the time they left school

Multiplied by

100

(Data reported in PEIMS / TSDS SPPI 14 Collection Based on Exit Data)

SPPI 14C Calculation Example

Respondent youth who are no longer in secondary school and had IEPs in effect at the time they left school	#
a. enrolled in higher education within one year of leaving high school	1,000
b. competitively employed within one year of leaving high school	1,500
c. enrolled in some other post-secondary education or training program within one year of leaving high school (but not enrolled in higher education or competitively employed)	200
d. in some other employment within one year of leaving high school (but not enrolled in higher education, some other post-secondary education or training program, or competitively employed)	400
e. Total respondent youth who are no longer in secondary school and had IEPs in effect at the time they left school (a + b + c + d)	**4,000**

Enrolled in Higher Education, Some Other Post-Secondary Education, or Training Program; or Competitively Employed or in Some Other Employment Calculation

Percentage = [(a + b +c + d) / e] x 100
= (1,000 + 1,500 + 200 + 400/ 4,000) x 100
= (3,100 / 4,000) x 100
= .78
= 78%
