

## SPPI 16 Calculation

Mediation agreements **related** to due process complaints PLUS mediation agreements **not related** to due process complaints

**Divided by**

Number of mediations held

**Multiplied by**

100

(Data Reported in Dispute Resolution Survey in the ED Facts Metadata and Process System (EMAPS))

## SPPI 16 Calculation Example

Mediation Sessions	#
a. Mediation agreements related to due process complaints	103
b. Mediation agreements not related to due process complaints	82
c. Mediations held	261

### Mediations Held that Resulted in Mediation Agreements Calculation

$$\begin{aligned}
 \text{Percentage} &= [(a + b) / c] \times 100 \\
 &= [(103 + 82) / 261] \times 100 \\
 &= (185 / 261) \times 100 \\
 &= .71 \times 100 \\
 &= 71\%
 \end{aligned}$$
