Subject: Notification of Correction of Noncompliance

Dear Dr. Anysia Trevino:

The purpose of this correspondence is to notify the Alice Independent School District (ISD) of the correction of noncompliance identified in the Targeted Review.

Alice ISD received notification of noncompliance in a letter dated 7/26/2024 listing the following area of noncompliance:

- IEP Development: A statement of the child's present levels of academic achievement and functional performance, including— (i) How the child's disability affects the child's involvement and progress in the general education curriculum (i.e., the same curriculum as for nondisabled children); or (ii) For preschool children, as appropriate, how the disability affects the child's participation in appropriate activities.

**34 Code of Federal Regulations § 300.320(a)(1)**

A plan for correction of the noncompliance was included in your corrective action plan. Subsequently, the local education agency (LEA) was required to submit documentation to the Texas Education Agency (TEA) verifying correction for the abovementioned noncompliance. The documentation submitted by the LEA indicated that this area of noncompliance has been addressed, and the noncompliance has been corrected. Therefore, no further action on this issue is required at this time.

Dr. Anysia Trevino, Superintendent  
Alice Independent School District (ISD)
