Subject: Notification of Correction of Noncompliance

Dear Dr. Matthew Gutierrez:

The purpose of this correspondence is to notify the Del Valle Independent School District of the correction of noncompliance identified in the cyclical monitoring.

Del Valle Independent School District received notification of noncompliance in a letter dated July 26, 2024, listing the following area of noncompliance:

- IEP Development: Measurable Annual Goals  
**34 Code of Federal Regulations §300.320(a)(2)(i)**

A plan for correction of the noncompliance was included in your corrective action plan. Subsequently, the local education agency (LEA) was required to submit documentation to the Texas Education Agency (TEA) verifying correction for the abovementioned noncompliance. The documentation submitted by the LEA indicated that this area of noncompliance has been addressed, and the noncompliance has been corrected. Therefore, no further action on this issue is required at this time.
