Eligibility for SSES – Primary Disability and Educational Setting

Student Eligibility Criteria

Enrollment Criteria:

Student enrolled in TEA public school SY2019-20 and 2020-21.

Students Grades 3-12:

STAAR ALT II Eligible

Students Grades K-2:

Designated as Multiple Disabilities

OR

Primary Disability of Deaf/Blind

OR

The combination of Primary Disability and Setting see below:

Your child MAY qualify for SSES if they have one of the following primary disabilities:

- Auditory Impairment
- Autism
- Intellectual Disability
- Orthopedic Impairment
- Other Health Impairment
- Speech Impairment
- Traumatic Brain Injury
- Visual Impairment

Your child <u>MAY</u> qualify for SSES if they have one of the primary disabilities listed above <u>AND</u> they are served in one of the following educational settings:

- Student is receiving homebound instruction the teacher comes to the house for one-on-one instruction.
- Student is attending a Residential Treatment Facility.
- Student is not attending their home campus but they're in a Specialized Program for more than 50% of their day.
- Student is in a Self-Contained Classroom for more than 50% of their day.
- Student attends Texas School for the Blind.
- Student attends Texas School for the Deaf.
- Student receives instruction at a Day Treatment Facility.
- They are in a resource classroom on their home campus.
- Student is attending their home campus but receives specialized programming off campus.

For specific areas of disabilities and settings, see next 2 pages.
