Subject: Notification of Correction of Noncompliance

Dear Mr. Seybold:

The purpose of this correspondence is to notify Jasper Independent School District (ISD) of the correction of noncompliance identified in the Targeted Review.

On July 28, 2023, Jasper ISD received notification of noncompliance in IEP Development: Present Levels of Academic and Functional Performance (34 CFR §300.320(a)(1)) and IEP Development: Measurable Goals (34 CFR §300.320(a)(3)(i)) and was required to correct the identified noncompliance within one calendar year (34 C.F.R. § 300.600(e); 19 TAC §89.1076). On August 1, 2024, Jasper ISD received notification of continuing noncompliance status when it did not complete its corrective action plan within one calendar year.

Jasper ISD's corrective action plans for Present Levels of Academic and Functional Performance and Measurable Goals outlined steps for correcting each area of noncompliance. Subsequently, Jasper ISD was required to submit documentation to the Texas Education Agency (TEA) verifying correction for the above-mentioned areas of noncompliance. The documentation submitted by Jasper ISD indicated that each area of noncompliance has been addressed, and the noncompliance has been corrected. Therefore, no further action on these issues is required at this time.

If you have questions regarding this correspondence, please contact Interventions and Sanctions Coordinator, Bobby Alexander, at Bobby.Alexander@tea.texas.gov.

Respectfully,

Denise Magallanez
