Subject: Notification of Correction of Noncompliance

Dear Dr. Rodney Schneider:

The purpose of this correspondence is to notify the Kermit Independent School District (ISD) of the correction of noncompliance identified in the **Cyclical Desk Review**.

Kermit ISD received notification of noncompliance in a letter dated 4/30/2024 listing the following areas of noncompliance:

- IEP Development: Development of Present Levels of Academic Achievement and Functional Performance (PLAAFP)
34 Code of Federal Regulations (CFR) § 300.320(a)(1)
- IEP Development: Development of measurable annual goals
- **34 Code of Federal Regulations (CFR) §300.320(a)(2)(i)**

A plan for correction of the noncompliance was included in your corrective action plan. Subsequently, the local education agency (LEA) was required to submit documentation to the Texas Education Agency (TEA) verifying correction for the abovementioned noncompliance. The documentation submitted by the LEA indicated that this area of noncompliance has been addressed, and the noncompliance has been corrected. Therefore, no further action on this issue is required at this time.

Kermit Independent School District (ISD)
