

STAAR Alternate 2 Educator Committees

We are seeking **Texas special educators** with a **commitment to best practices** for students **to serve on STAAR Alternate 2 item review committees**. Educators will review and provide feedback on potential test questions for future STAAR Alternate 2 assessments.

Why?

- Input from Texas educators is a critical component to ensure that items for the STAAR Alternate 2 are
 - valid,
 - reliable,
 - high-quality measures of the academic achievement of students with significant cognitive disabilities.

When?

Summer of 2022 beginning as early as 5/19/22. We have STAAR Alternate 2 meetings that will occur throughout the summer.

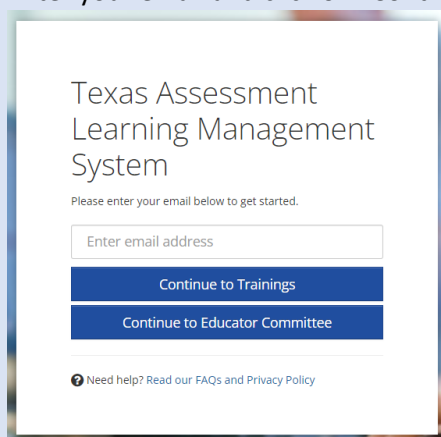

How?

Educators should go to <https://texasassessment.gov/educators.html>

A screenshot of a registration form titled "Texas Assessment Learning Management System". Below the title, it says "Please enter your email below to get started." There is a text input field with the placeholder "Enter email address". Below the field are two blue buttons: "Continue to Trainings" and "Continue to Educator Committee". At the bottom left, there is a small icon and the text "Need help? Read our FAQs and Privacy Policy".

Complete the form fully.

*In the box labeled “Teaching Assignment”, it is especially important for educators who wish to participate in STAAR Alternate 2 review to click “Low Incidence or Life Skills” as their area of Specialization. (You can also sign up for a TELPAS item review committee or any content area for STAAR.)
