Subject: Notification of Correction of Noncompliance Dear Superintendent Hartman:
The purpose of this correspondence is to notify the Windham School District of the correction of noncompliance identified in the Cyclical Desk Review.

Windham School District received notification of noncompliance in a letter dated 8/1/2022 listing the following areas of noncompliance:

- 34 CFR § 300.503(c), 34 CFR § 300.504(d) Policies to provided evaluations in the family's native language.
- TEC § 38.003(b-1) Unless otherwise provided by law, a student determined to have dyslexia during screening or testing under Subsection (a) or accommodated because of dyslexia may not be rescreened or retested for dyslexia for the purpose of reassessing the student's need for accommodations until the district reevaluates the information obtained from previous screening or testing of the student.

A plan for correction of the noncompliance was included in your corrective action plan. Subsequently, the local education agency (LEA) was required to submit documentation to the Texas Education Agency (TEA) verifying correction for the abovementioned noncompliance. The documentation submitted by the LEA indicated that this area of noncompliance has been addressed, and the noncompliance has been corrected. Therefore, no further action on this issue is required at this time.

Kristina Hartman, Superintendent
Windham School District
