[Social Studies Stakeholder Engagement Sessions: October 9th and 10th](#)

The social studies team at TEA is committed to enhancing opportunities for stakeholder engagement across the state of Texas. Social Studies Stakeholder Engagement Sessions allow the TEA social studies team to expand information sharing and interaction with stakeholders. Each session will have a different informational focus and will include a fifteen-to-twenty-minute presentation from TEA staff, followed by an opportunity for general questions and discussion related to social studies. Stakeholder engagement sessions will be provided on two different days at two different times (during and outside of the school day) to provide stakeholders multiple opportunities to attend. The information shared will be the same in each meeting. All social studies stakeholders (parents, teachers, administrators, etc.) are invited to attend by registering below.
