Documentation Requested

Documenting overall compliance for a program requirement may require several forms of documentation to be maintained locally and available upon request by TEA and/or an auditor.

To ensure overall compliance with program requirements, LEAs should refer to the Program Guide and/or other program-related resources that reference the multiple forms of documentation required to be maintained locally.

The documentation requested for submission during the validation process may not include all forms of documentation that are required to be maintained locally.

2025-2026 PFE Policy for LEA

Issues that may result in an “Improvement Needed” status

- Auditable documentation requested was not submitted.
- LEA’s PFE policy did not address the required content.
- Documentation submitted was not for the specified school year.

Meeting Documentation Required

Documentation Required – LEA PFE Policy Item 1.2

Meeting agenda, meeting notes or minutes, and participant roster for **one meeting** documenting the LEA's PFE policy development and review process

Documentation Requirements

- Meeting agenda, meeting minutes or notes, and sign-in sheet for one meeting that provides evidence of the participation of parents in the development, review, and revision of the LEA's 2025-2026 PFE policy. It should be clear from the documentation that parents had a genuine opportunity to participate in the process. A majority of the participants should be parents/grandparents/guardians of children attending Title I, Part A campuses in the LEA.
- The documentation submitted should provide evidence that the LEA's PFE policy development and review process referenced in Item 1.1 was followed.

Meeting Documentation Required

Documentation for virtual meetings is acceptable.

Given the increased use of virtual meeting environments, participant rosters that include the meeting title, meeting date, and stakeholder names and roles would be acceptable substitutes for the more traditional sign-in sheets. This eliminates the need of participant signatures for virtual meetings.

Parent and Family Engagement (All Grade Levels)

Working Together

Experience and research tell us that a child succeeds in education with good communication and a strong partnership between home and school. A parent's involvement and engagement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child every day to make the most of the educational opportunities the school provides.
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn.
- Becoming familiar with all your child's school activities and with the academic programs, including special programs, offered in the district.
- Discussing with the school counselor or principal any questions you may have about the options and opportunities available to your child.
- Reviewing the requirements and options for graduation with your child in middle school and again while your child is enrolled in high school.
- Monitoring your child's academic progress and contacting teachers as needed. [See **Academic Counseling** on page .]
- Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, school counselor, or principal, please call the school office at [REDACTED] for an appointment. The teacher will usually return your call or meet with you during his or her conference period or before or after school. [See **Report Cards/Progress Reports and Conferences** on page .]
- Becoming a school volunteer. [See **Volunteers** on page and policy GKG for more information.]
- Participating in campus parent organizations. Parent organizations include: Activity Booster Clubs

Effective Format

- Clear statement of requirement
- Clear actions to be taken by campus

Common issues found –

- Policy is not for the correct year;
- No mention of evaluating PFE program or using the PFE results;
- Old statute is cited (No Child Left Behind; Improving America's Schools Act) in policy and/or in other PFE materials;
- Combined LEA and campus PFE policy (which is allowable for single campus LEAs) does not include all requirements for both.

- There are templates!
- LEA and campus could use the template to assess the current state of the policies.
[Built-in RELEVANT activity for LEA's and campus's PFE policy review committees.]
- TEA uses the templates when reviewing the validation submissions.
- Documentation submitted for validation should address the question(s) asked. If it is submitted, TEA must review it!
