Curriculum: [All student expectations](#) are required to be taught in their entirety for a grade level or course. The Assessed Curriculum document outlines the student expectations that are eligible to be assessed on the state summative assessment.

Question types: Extended constructed response, inline choice, multipart, multiple choice, and multiselect.

Development Process: All questions go through a rigorous development and review process to ensure they accurately measure student knowledge. Every question on the test is created for Texas students with the review and approval of Texas educators. TEA encourages highly qualified Texas educators to [apply to participate](#) in these review committees.
