

EARLY CHILDHOOD EDUCATION

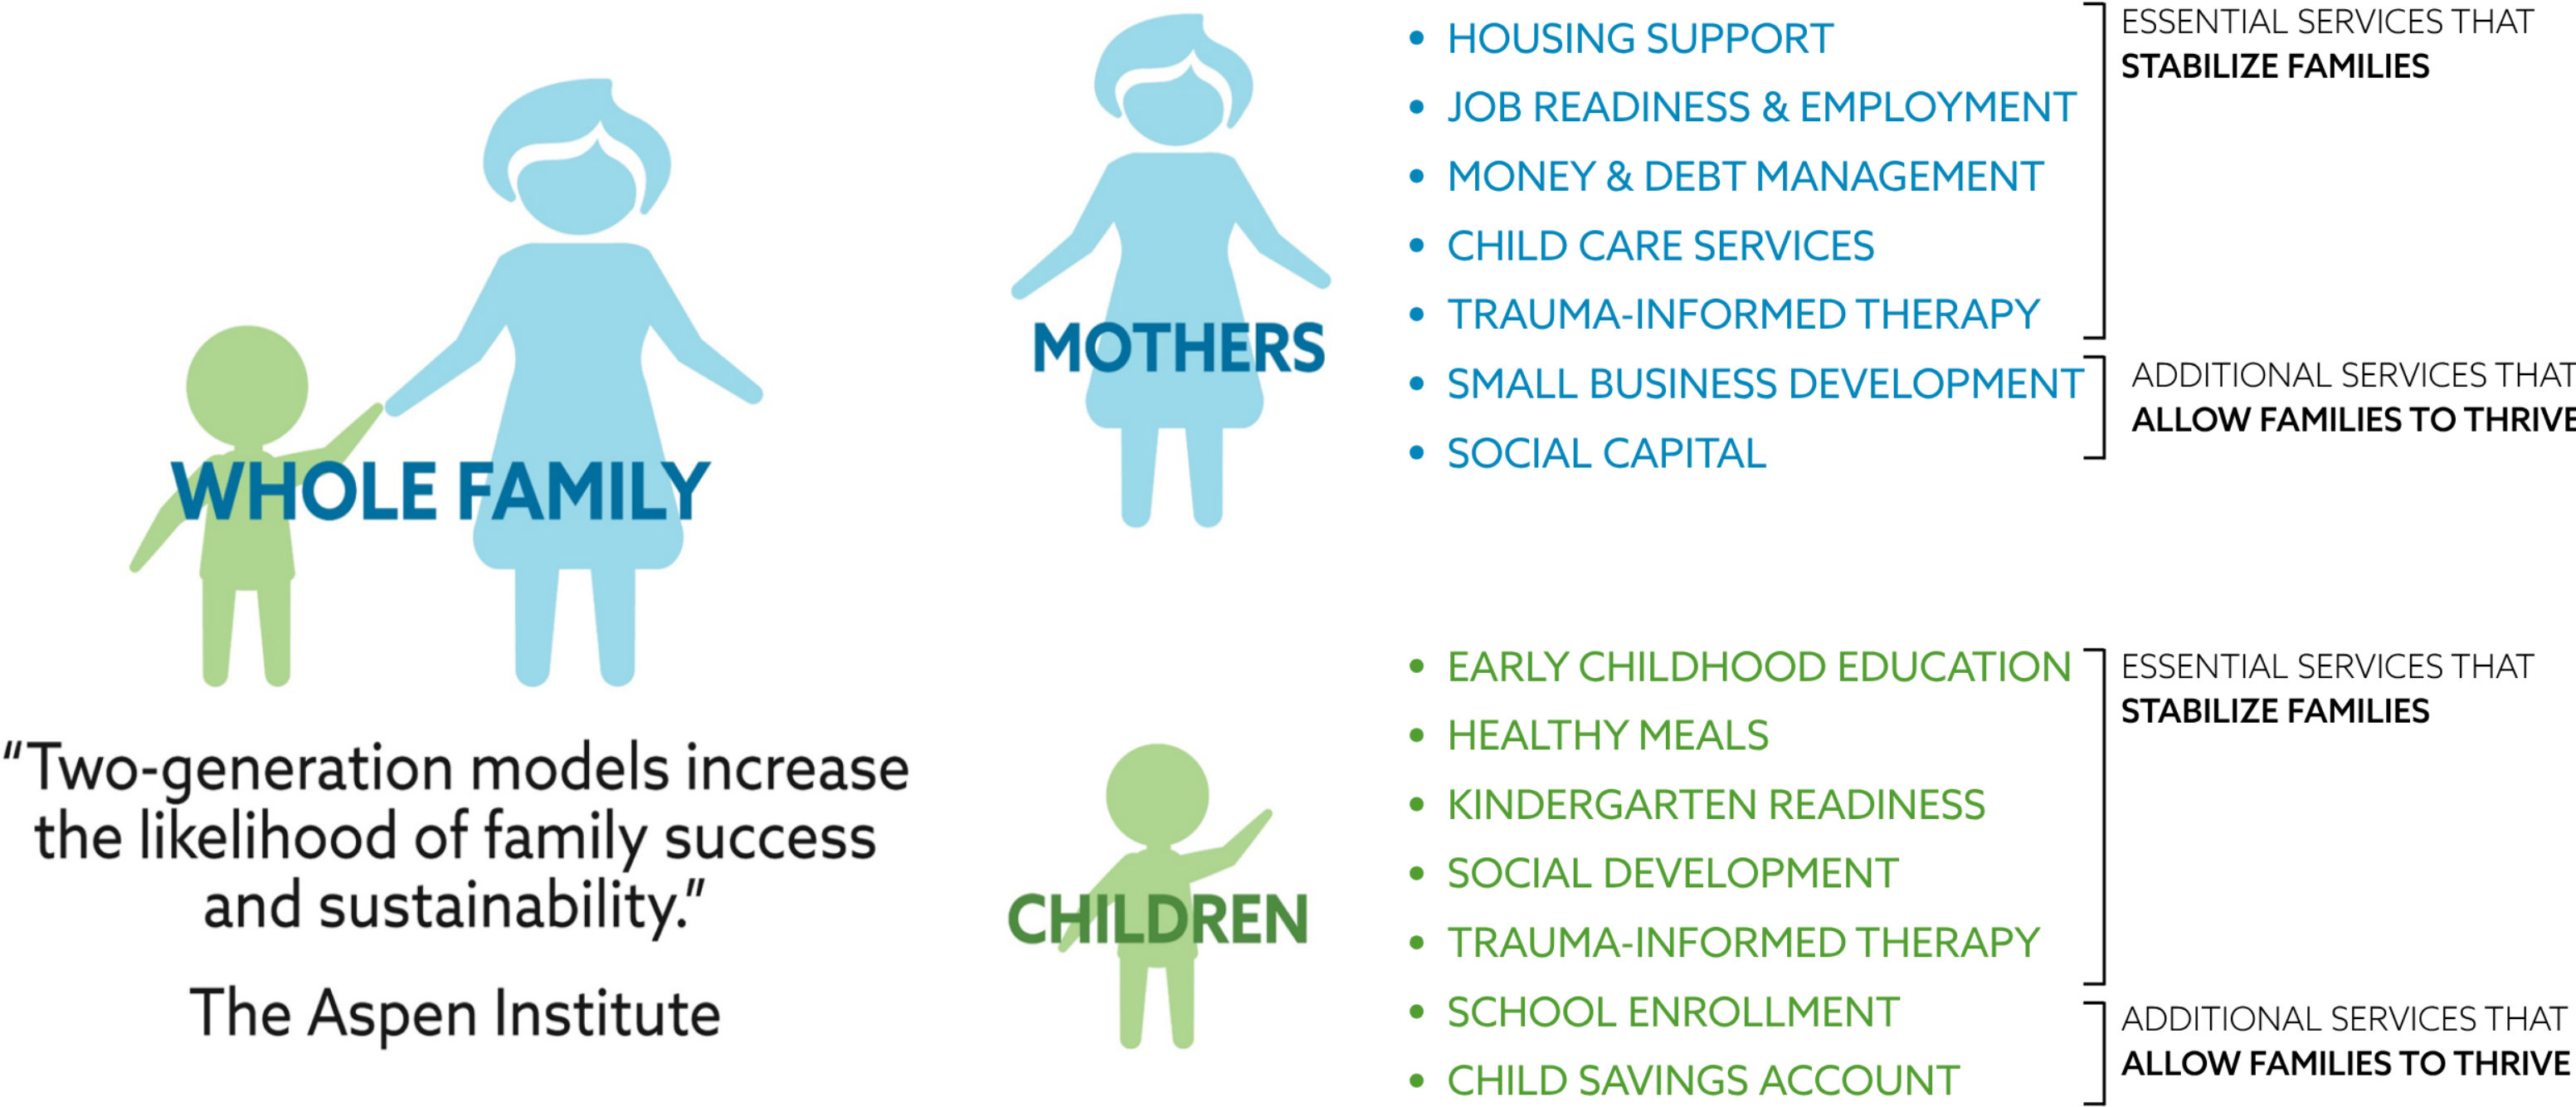

Center for
Transforming Lives

Center for Transforming Lives partners with single mothers and their children so they can thrive.

To disrupt the cycle of poverty, Center for Transforming Lives applies a two -generation framework of essential services including housing, counseling, early childhood education and economic mobility.

Early Childhood Education at Center for Transforming Lives

High-quality, year-round early childhood education prepares children for success in school while giving parents the opportunity to work and provide for their families.

Center for Transforming Lives owns and operates three early childhood development centers and works with five partner centers throughout Tarrant County.

Traditional Child Care

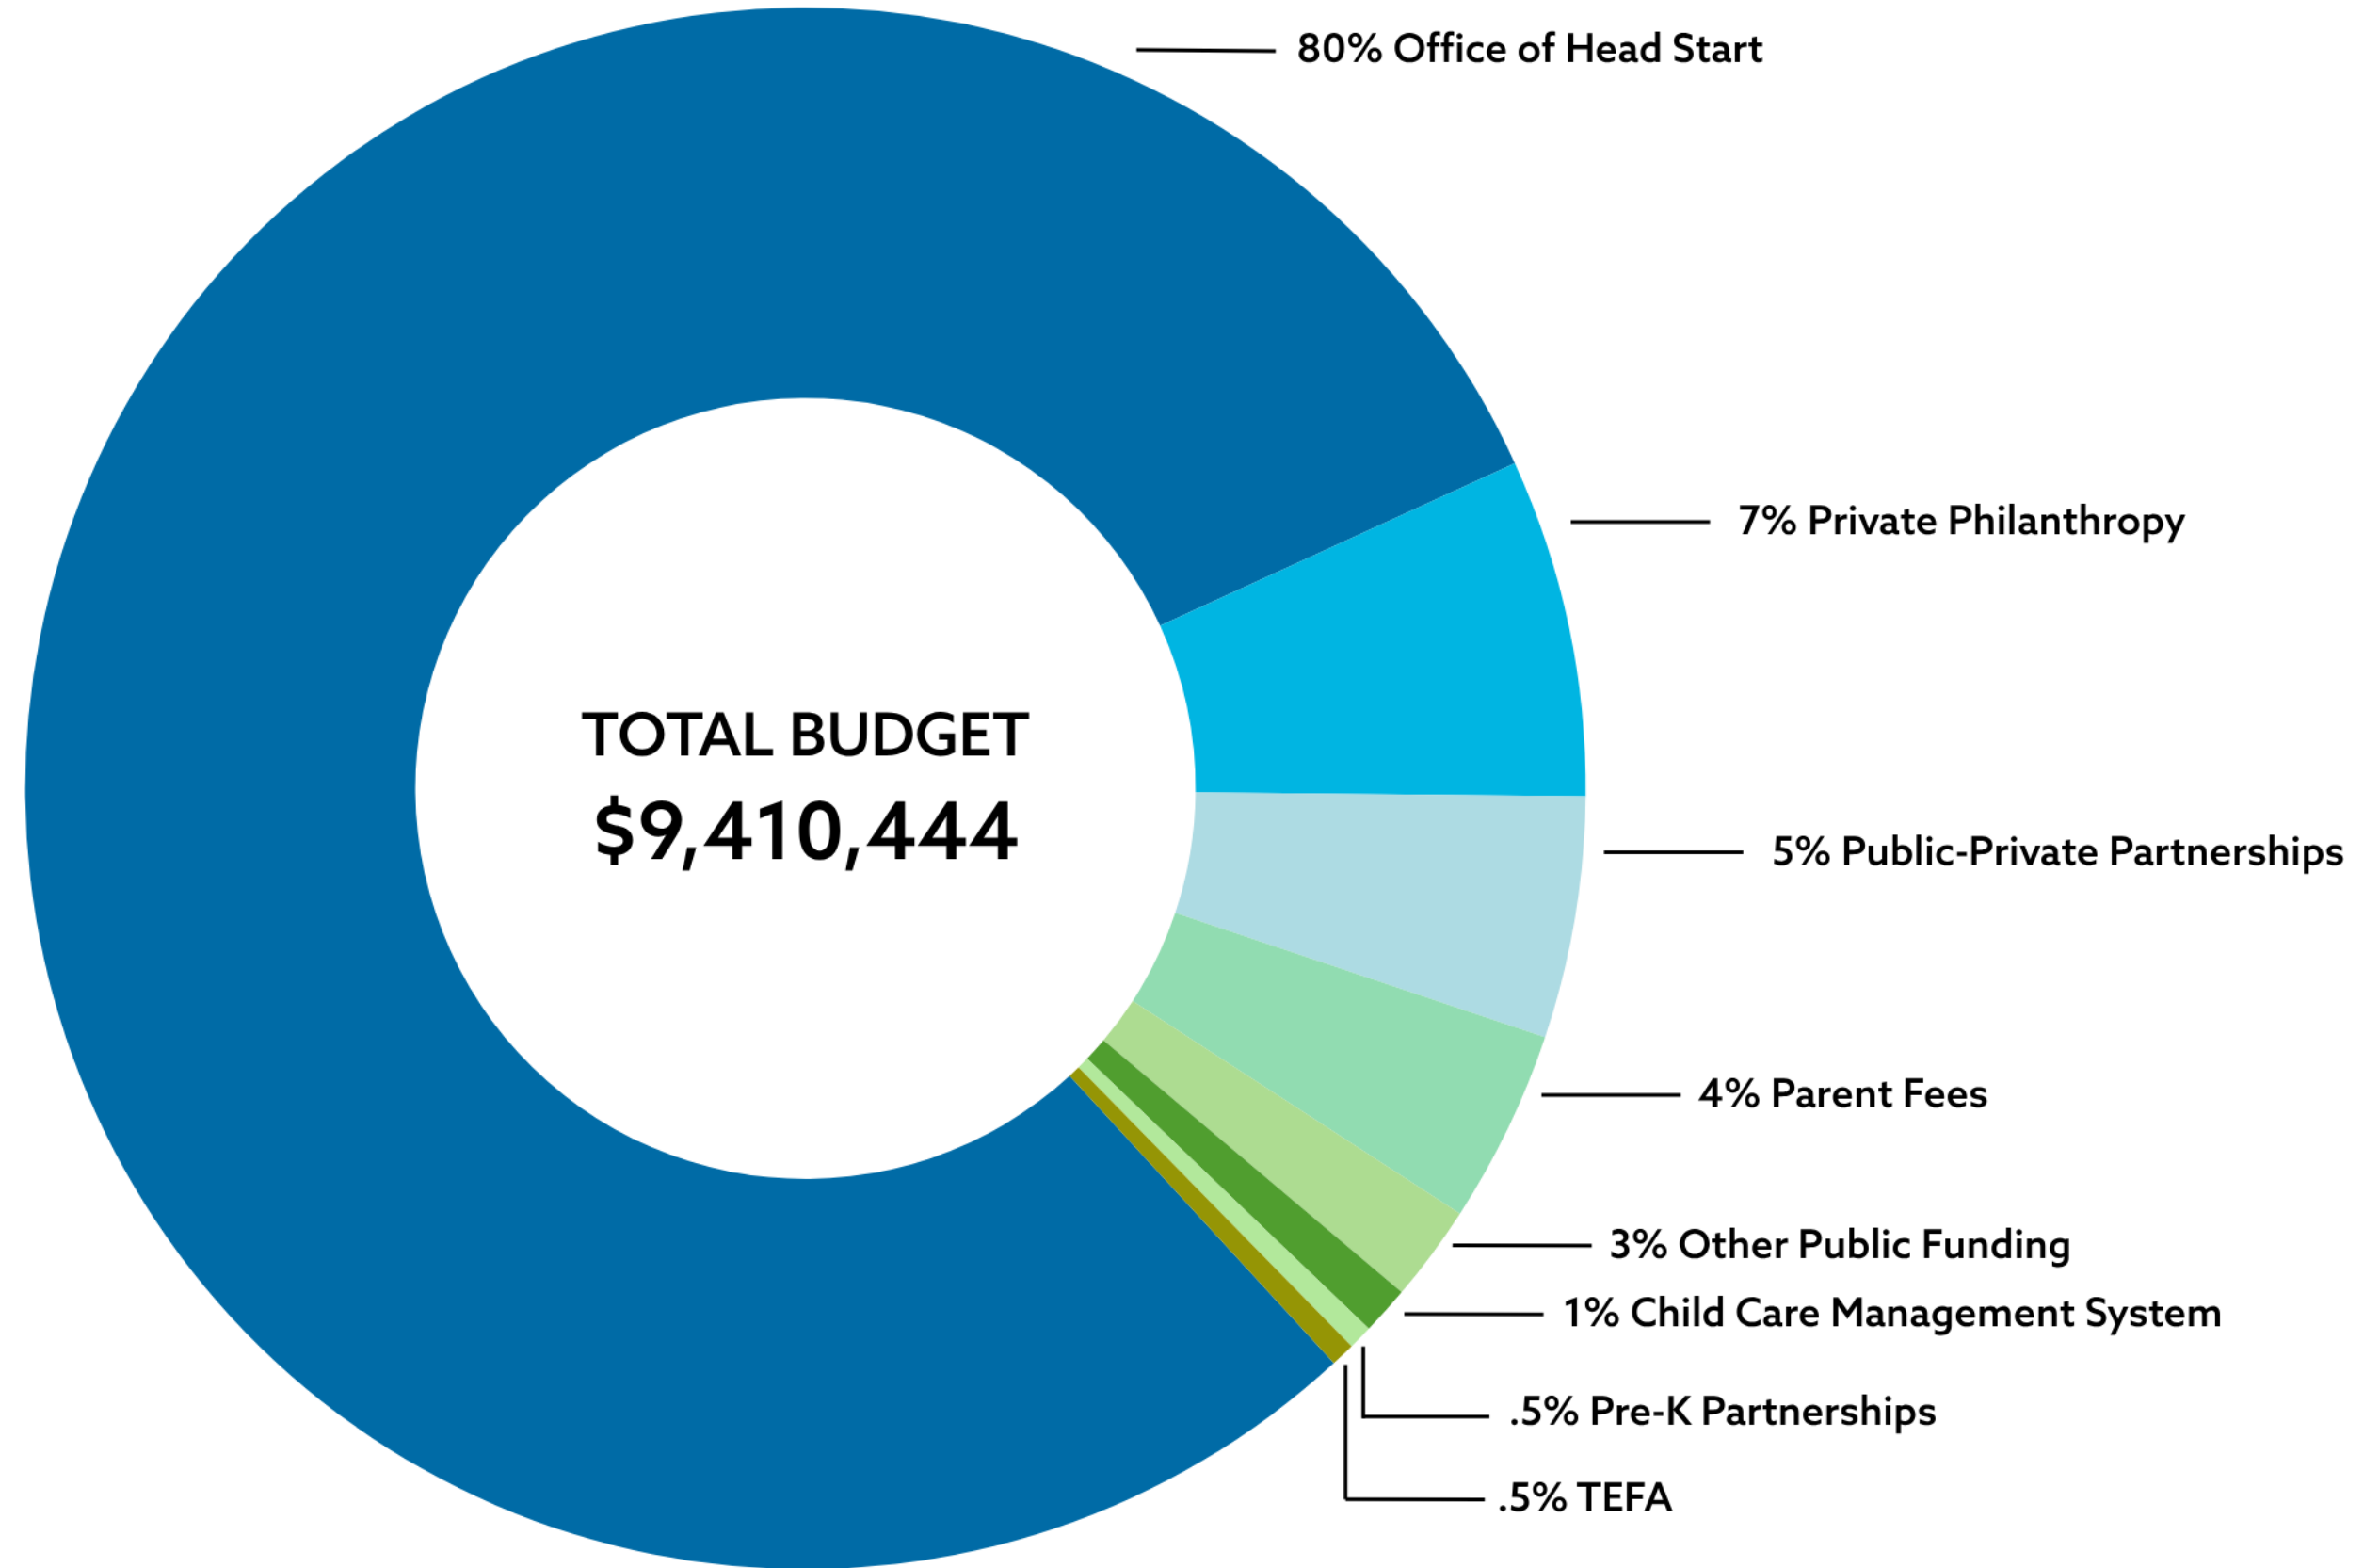

Head Start & Early Head Start Programs

Drop-In Child Care

Innovative Funding Model

Arlington CDC: 120 Students | Polytechnic CDC: 32 Students | Riverside CDC: 109 Students

Drop-In Child Care Supports Work and Family

Drop-in child care allows parents to keep appointments, build job skills and take the steps needed to achieve greater self-sufficiency.

An Innovative Solution to Workforce Challenges: Workforce Development Institute

A one-stop workforce hub integrating job training, employer partnerships and supportive services to help women move into living-wage careers.

Government Changes that Would Allow Us to Innovate More Effectively

Improved communication and
transparency from TWC/CCMS

Incentives and flexibility for
employer-based child care programs
